 Resolution Number: 11-0610

Whereas, Iowa County adopted its Farmland Preservation Plan in 1980, which includes the designation of areas in the county to be preserved for agricultural uses as farmland preservation areas; and

Whereas, Wisconsin, Act. 28 established the Working Lands Initiative, which includes a state Purchase of Agricultural Conservation Easement or PACE program; and

Whereas, application for participation in the PACE program requires confirmation by the county that the land affected is within an area mapped for farmland preservation; and

Whereas, Victor, Calvin & Julie Williams wish to participate in the PACE program and has asked for confirmation by Iowa County that the affected land as shown on Attachment A is area mapped for farmland preservation;

Now Therefore Be It Resolved that the Iowa County Board of Supervisors does hereby confirm that the land shown in Attachment A is within the area mapped for farmland preservation in the current Farmland Preservation Plan and hereby endorses the application thereof; and

Be It Further Resolved that by endorsing the Williams’ application Iowa County makes no other commitment and is not responsible, either in a financial or enforcement capacity, for the terms of the potential conservation easement.
