Any notice of redemption so mailed as provided in this Section will be conclusively presumed to have been duly given, whether or not the Owner receives such notice. including, to the extent reasonably obtainable, fire and extended coverage insurance, insurance against damage by floods, and use and occupancy insurance. Public liability and property damage insurance shall also be carried unless the City Attorney of the City gives a written opinion to the effect that the City is not liable for claims which would be protected by such insurance. All insurance premiums shall be paid as an expense of operation of the System. At any time while any contractor engaged in construction work shall be fully responsible therefor, the City shall not be required to carry insurance on the work being constructed if the contractor is required to carry appropriate insurance. All such policies shall be open to the inspection of the bondholders and their representatives at all reasonable times.

Upon the happening of any loss or damage covered by insurance from one or more of said causes, the City shall make due proof of loss and shall do all things necessary or desirable to cause the insuring companies to make payment in full directly to the City. The proceeds of insurance covering such property, together with any other funds necessary and available for such purpose, shall be used forthwith by the City for repairing the property damaged or replacing the property destroyed; provided, however, that if said insurance proceeds and other funds are insufficient for such purpose, then said insurance proceeds pertaining to the System shall be deposited in a special and separate trust fund, at an official depository of the City, to be designated the Insurance Account. The Insurance Account shall be held until such time as other funds become available which, together with the Insurance Account, will be sufficient to make the repairs or replacements originally required.

(2) The annual audit hereinafter required shall contain a section commenting on whether or not the City has complied with the requirements of this Section with respect to the maintenance of insurance, and shall state whether or not all insurance premiums upon the insurance policies to which reference is made have been paid.

(c) To the extent permitted by State Law and if such law is not otherwise preempted by federal statute, regulation or rule, the City shall comply with all Agency Rules and Loan Document Provisions.

(d) Notwithstanding any other term, condition, requirement or provision contained in this Ordinance, the Agency Rules and Loan Document Provisions shall, to the extent permitted by State law and if such law is not otherwise preempted by federal statute, regulation or rule, control to the extent of any conflict between the Ordinance and such Agency Rules or such Loan Document Provisions.

(e) Chapter 1208, Government Code, applies to the issuance of the Certificates and the pledge of the taxes granted by the City under Section 13 of this ordinance, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Certificates are outstanding and unpaid such that the pledge of the taxes granted by the City under Section 13 of this ordinance is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Certificates the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business &

Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

Section 17. ADDITIONAL COVENANTS.

(a) Proceeds of the Sale and Available Funds of the System. The City covenants and agrees, promptly after the delivery of the Certificates, to deposit the proceeds from the sale and delivery of the Certificates in the amount of \$1,605,000, less Bond Counsel fees and closing costs, to the Construction Fund to be created hereunder and to be used for the purpose of financing improvements and extensions to the City's sewer system. Any unused proceeds from the sale and delivery of the Certificates shall be refunded to RUS or applied as an extra payment on the RUS debt.

The Mayor is hereby authorized and directed to execute, and the City Secretary is hereby authorized and directed to attest, the final Application for Financial Assistance. In addition, the audits are to be performed in accordance with various Office of Management and Budget circulars. Annual reports and audits are to be furnished as set forth in RUS Instruction 1780, Section 1780-47.

(2) The City shall annually prepare and provide to USDA Rural Development Area Director a supplemental report containing the following information:

- a. Total gallons of water purchased and/or produced.
- b. Total gallons of water sold.
- c. Total number of customers.
- d. Percentage of water loss.
- e. List of names, addresses, and telephone numbers of current governing body.

(3) An authorized representative of the City will monitor and provide a report to USDA Rural Development on actual performance during construction.

Section 18. SALE TO THE UNITED STATES OF AMERICA. The Certificates are hereby sold to the United States of America for the par value of the Certificates.

Section 19. INVESTMENTS; FUNDS SECURED. Money in all funds created, or continued, by this Ordinance (the "Funds") shall be invested in investments in institutions insured by the State of Texas or the United States of America or invested in readily marketable securities backed by the full faith and credit of the United States Collateral Act (Texas, Government Code, Chapter 2257).

Section 20. APPROVAL, REGISTRATION, AND DELIVERY. The Mayor is hereby authorized to have control and custody of the Certificates and all necessary records and proceedings pertaining thereto pending their delivery, and the Mayor and other officers and employees of the City are hereby authorized and directed to make such certifications and to execute such instruments as may be necessary to accomplish the delivery of the certificates and to assure the investigation, examination and approval thereof by the Attorney General of the State of Texas and the registration of the Initial Certificate by the Comptroller.

Section 21. APPROVAL OF LOAN DOCUMENTS. The Mayor and the City Secretary and other officers and employees of the City are hereby authorized and directed to execute, or obtain proper execution from third parties of, those documents as may be necessary to accomplish delivery of the Certificates and to assure the City receives the benefits of the RUS loan and grant, including:

(a) Form SF-5510, "Authorization Agreement for Pre-Authorized Payments," for the USDA loan, as well as any other USDA loan to the City. A copy of this agreement(s) will be forwarded to the State Office and the Letter of Conditions based upon 5366 water and 5338 sewer users that will use the facilities when service becomes initially available. Verification of users will be made by the Rural Development Manager using RUS Bulletin-TX 1780-40.

(b) Form SF-3381, Electronic Funds Transfer Payment Enrollment Form for each account where funds will be electronically received.

(c) Form RD-1910-11, "Applicant Certification – Federal Collection Policies For Consumer of Commercial Debts" prior to Closing.

(d) RUS Bulletin 1780-12, "Water and Waste System Grant Agreement."

(e) RUS Bulletin 1780-27, "Loan Resolution (Public Bodies)."

(i) Certification that the City will provide a drug free workplace as a prior condition of being awarded a grant and execute Form AD-1049, certifying the provisions of the Drug Free Workplace Act of 1988.

Section 22. COVENANTS TO MAINTAIN TAX EXEMPT STATUS.

(a) Definitions. When used in this Section, the following terms have the following meanings:

"Code" means the Internal Revenue Code of 1986, as amended, by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Certificates.

"Investment" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Certificates are invested and which is not acquired to carry out the governmental purposes of the Certificates.

"Rebate Amount" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Regulations" means the Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1986, which are applicable to the Certificates (and any rulings thereunder). Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"Yield" of

(1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations;  
and

(2) the Certificates has the meaning set forth in Section 1.148-4 of the Regulations.

(b) General Tax Covenant. The City intends that the interest on the Certificates shall be excludable from gross income for purposes of federal income taxation pursuant to Sections 103 and 141 through 150 of the Code and applicable Regulations. The City covenants and agrees not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, would cause the interest on the Certificates to be includable in gross income, as defined in section 61 of the Code, of the holders thereof for purposes of federal income taxation. In particular, the City covenants and agrees to comply with each requirement of this Section; provided, however, that the City shall not be required to comply with any particular requirement of this Section if the City has received an opinion of nationally recognized bond counsel ("Counsel's Opinion") that such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Certificates or if the City has received a Counsel's Opinion to the effect that compliance with some other requirement specified in such Counsel's Opinion shall constitute compliance with the corresponding requirement specified in this Section. In the event the provisions of the Code are amended, or new regulations or rulings are promulgated or issued thereunder, such that requirements in addition to those stated herein become applicable to the Certificates, the City covenants to comply with such additional requirements to the extent necessary to prevent any adverse effect on the exclusion of interest on the Certificates from gross income for federal income tax purposes.

(c) Use of Proceeds. The City covenants and agrees that its use of the Gross Proceeds of the Certificates will at all times satisfy the following requirements:

(i) Private Business Use. Except as permitted by section 141 of the Code and the Regulations, the City shall at all times prior to the last stated maturity of the Certificates:

(A) not use or permit the use of Gross Proceeds of the Certificates or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(B) not directly or indirectly impose or accept any charge or other payment by any person who is treated as using Gross Proceeds of the Certificates or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds other than ad valorem taxes or interest earned on Investments acquired with such Gross Proceeds pending application for their intended purposes.

(ii) Private Loan Use. Except to the extent permitted by section 141 of the Code and the

Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Certificates to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(iii) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code, and the Regulations, the City shall not directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross Proceeds, whether then held or previously disposed of, materially exceeds the Yield of the Certificates.

(iv) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Certificates to be federally guaranteed within the meaning of section 149(b) of the Code.

(v) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(vi) No-Arbitrage Covenant. The City shall certify, through an authorized officer, employee or agent, that based upon all facts and estimates known or reasonably expected to be in existence on the date the Certificates are delivered, the City will reasonably expect that the proceeds of the Certificates will not be used in a manner that would cause the Certificates to be "arbitrage bonds" within the meaning of section 148(a) of the Code and applicable regulations thereunder. Moreover, the City covenants and agrees that it will make such use of the proceeds of the Certificates (including interest or other investment income derived from Certificate proceeds), regulate investments of proceeds of the Certificates and take such other and further action as may be required so that the Certificates will not be "arbitrage bonds" within the meaning of section 148(a) of the Code and applicable regulations thereunder.

(vii) Arbitrage Rebate. The City will take all necessary steps to comply with the requirement that certain amounts earned by the City on the investment of the "gross proceeds" of the Certificates (within the meaning of Section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the City will (i) obtain information and maintain records regarding the receipt, investment and expenditure of the gross proceeds of the Certificates as may be required to calculate the amount earned on the investment of the gross proceeds of the Certificates and to identify the gross proceeds of the Certificates separately from records of amounts on deposit in the funds and accounts of the City allocable to other bond issues of the City or moneys which do not represent gross proceeds of any bonds of the City, (ii) calculate, at such times as are required by applicable

regulations, the amount earned from the investment of the gross proceeds of the Certificates which is required to be rebated to the federal government and (iii) pay, at such times and in such manner as required by applicable regulations, all amounts required to be rebated to the federal government. Further, the City will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Certificates that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or larger loss than would have resulted if the arrangement had been at arm's length and had the yield on the issue not been relevant to either party.

(viii) Elections. The City hereby directs and authorizes the President and the Vice-President of the Board, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Certificates, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

### Section 23. DEFAULT.

(a) Events of Default. Other than to the United States government, the Ordinance, provides no express remedies to a registered owner in the event of default, except for the remedy of mandamus, makes no provision for acceleration of maturity of the Certificates in the event of default, and does not provide for a trustee to protect the rights of the registered owners. Events of default under the Ordinance include: (1) failure to pay interest, principal or premium on the Certificates when and as the same shall have become due and payable; or (2) failure to perform or observe duly or punctually any other covenant, condition or agreement contained in the Certificates or the Ordinance and to be performed by the City, which failure shall have continued for 60 days after notice from the holders of 10% in principal amount of the outstanding Certificates.

(b) Remedies in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the City has covenanted and agreed that in the event the City (a) defaults in the payment of principal or interest on the Certificates when due, or (b) fails to make the payments to the funds required by the Ordinance, or (c) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in the Ordinance, the following remedies shall have available as stated in the Ordinance:

The registered owner or owners of the Certificates shall be entitled to a writ of mandamus issued by a court of proper jurisdiction compelling and requiring officers of the City, to observe and perform any covenant, obligation or condition prescribed in this ordinance. No delay or omission to exercise any right or power accruing upon any default shall impair any such power or right or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedies provided are cumulative of all other available remedies and the specification of such shall not be deemed to be exclusive.

A registered owner could, in the event of default, ask a court for a writ of mandamus compelling the City to observe the covenants contained in the Ordinance, including the obligation to levy, assess and collect sufficient ad valorem taxes and toll revenues to pay principal and interest as it falls due on the Certificates. The mandamus remedy, however, may be impracticable and difficult to enforce. Because there is no provision for acceleration of maturity of the Certificates in the event of default, the remedy of mandamus might need to be enforced from year-to-year. It is doubtful that a judgment against the City could be effectively enforced by a direct levy and execution against property owned by the City, including any City funds other than those received from the specific tax levy made for the Certificates. The enforcement of a claim for payment of principal of or interest on the Certificates would be subject to the applicable provisions of the federal bankruptcy laws and to any other similar laws affecting the rights of creditors of political subdivisions generally.

Section 24. AMENDMENT OF ORDINANCE. (a) Subject to approval by the Rural Utilities Service while it is the holder of the Certificates, the City shall have the right from time to time to approve any amendment to this Ordinance which may be deemed necessary or desirable by the City; provided, however, that, nothing herein contained shall permit or be construed to permit the amendment of the terms and conditions in this Ordinance or in the Certificates with respect to the following matters:

- (i) Make any change in the maturity of the outstanding Certificates;
- (ii) Reduce the rate of interest borne by the outstanding Certificates;
- (iii) Reduce the amount of the principal payable on the outstanding Certificates;
- (iv) Modify the terms of payment of principal of or interest on the outstanding Certificates or impose any conditions with respect to such payment;
- (v) Affect the rights of the holders of less than all of the Certificates then outstanding;
- (vi) Change the minimum percentage of the principal amount of the Certificates necessary for consent to such amendment.

(b) If at any time the City shall desire to amend the Ordinance under this Section, the City shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in The City of New York, New York, once during each calendar week for at least two successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of the Issuer for inspection by all holders of the Certificates. Such publication is not required, however, if notice in writing is given to the holder of the Certificates.

(c) Whenever at any time not less than 30 days, and within one year from the date of the first publication of said notice or other service of written notice, the City shall receive an instrument or instruments executed by the holders of at least 51% in aggregate principal amount of all Certificates

then outstanding, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically give consent to and approval of such amendment in substantially the form of the copy thereof on file with the City, the City Council may pass the amendatory ordinance in substantially the same form.

(d) Upon the passage of any amendatory ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be amended in accordance with such amendatory ordinance, and the respective rights, duties and obligations under this Ordinance of the City and the holder of the then outstanding Certificates shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such amendments.

(e) Any consent given by the holder of a Certificate pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the first publication of the notice provided for in this Section, and shall be conclusive and binding upon all future holders of the same Certificate during such period. Such consent may be revoked at any time after six months from the date of the first publication of such notice by a holder who gave such consent, or by a successor in title, by filing notice thereof with the City, but such revocation shall not be effective if the holders of 51% in aggregate principal amount of the then outstanding Certificates as in this Section defined have, prior to the attempted revocation, consented to and approved the amendment.

(f) For the purpose of this Section the identity of the holder of the Certificate, the amounts and numbers of such Certificate and the date of their holding same shall be proved by the registration books of the Issuer. For purposes of this Section, the holder of a Certificate shall be the owner thereof as shown on such registration books. The City may conclusively assume that such ownership continues until written notice to the contrary is served upon the City.

(g) The foregoing provisions of this Section notwithstanding, the City by action of the City Council, may amend this Ordinance for any one or more of the following purposes:

(1) To add other covenants and agreements of the City in this Ordinance contained, other covenants and agreements thereafter to be observed, grant additional rights or remedies to bondholders, or to surrender, restrict, or limit any right or power herein reserved to or conferred upon the City;

(2) To make such provisions for the purpose of curing any ambiguity, or curing, correcting, or supplementing any defective provision contained in this Ordinance, or to clarify matters or questions arising under this Ordinance, as are necessary or desirable and not contrary to or inconsistent with this Ordinance and which shall not adversely affect the interests of the holder of the Certificate;

(3) To modify any of the provisions of this Ordinance; provided that (i) any modification is expressly effective only after all the Certificates outstanding at the date of the adoption of such modification shall cease to be outstanding, and (ii) such modification shall be specifically referred to in the text of all Additional Bonds issued after the date of the

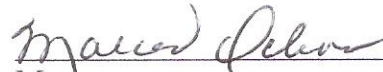

adoption of such modification.
