Directions: Please submit this form to the Bonner County Geographic Information Systems (GIS) Department for review. All required information must be completed before staff will accept the application.

Road names are a critical component of the county property addressing system. Mail delivery, communication systems, legal documents, and emergency responders use road names for identifying properties. Unique road names are vital to the system. Road names are required on all roads (public and private) serving three (3) or more properties BCRC §13-410(b(4)). BCRC §13-420 provides road naming standards. Road sign names shall be placed in accord with BCRC §13-470.

Directions: To name an existing unnamed road or rename an existing named road, please provide the name and parcel number(s) of ALL owners abutting the subject travel-way with legal access. Ownership information can be obtained from the Assessor's office. To indicate approval of the proposed road name, the landowners must provide their signature in the space provided next to their name. Property owners who own more than one property abutting the subject road shall only have one vote. Final road name approval is subject to the procedures listed in BCRC 13-430 (existing un-named roads) and 13-450 (renaming existing named roads).

Proposed Road Name(s):		
Landowner Name	Parcel Number(s)	Landowner Signature

*Landowner signature indicates approval of proposed road name(s).*
