

PROPERTY & LIABILITY CLAIM & INCIDENT REPORTING GUIDELINES

NBSIA's goal is to work closely with our Members to assist them in Risk Management and early claim resolution to reduce costs and help maintain a good image for the District.

When do you notify NBSIA?

- a) When an incident has occurred that is likely to become a claim.
- b) If you receive a verbal or written demand asserting liability and damages.
- c) If you receive a verbal or written request for monetary award.
- d) When a claim (tort) form is filed.
- e) When a law suit is filed and you have been served.

What constitutes notice to North Bay Schools?

- a) Email, fax or letter describing the possible claim, telephone communication should be followed up with a written confirmation.

If you plan to conduct an internal investigation please communicate this so we may work with you.

When an incident with potential for damages is reported, NBSIA will:

- a) Review current facts and evaluate coverage
- b) If part of claim qualifies for coverage, NBSIA will evaluate and work with Member.

When a claim is submitted, NBSIA will:

- a) Review current facts and evaluate coverage
- b) If coverage is clear NBSIA will assume responsibility of the claim and will retain counsel if necessary in preparation of resolution of the claim.
- c) If there is no coverage NBSIA will notify the District in writing.
- d) NBSIA will investigate the claim before the claim is rejected or accepted.
- e) NBSIA accepts or rejects claims, not the District.
- f) NBSIA will communicate openly with the District contact.

Late notice of a claim may result in loss of coverage. NBSIA Memorandum of Liability Coverage considers reporting after 14 calendar days of knowledge to be late notice
