*** Please indicate whether your children under 18 have your permission to use the Internet after reading the following statement.**

The McCall Public Library will not deny or limit access to information available via electronic resources with the exception of the policies created to meet the provisions of Idaho Code 33-2741. Parents must be responsible for providing guidance to their children; it is not the role of the library staff to do so. Children who use the Internet unsupervised may be exposed to inappropriate or disturbing information and images. Parents are encouraged to discuss the use of the Internet with their children in relation to family values and boundaries, and to monitor their children's use of the Internet. Our computers are filtered to meet the provisions of Idaho Code 33-2741, however, the library is not responsible for access to other sites that parents may consider inappropriate.

Anyone who abuses the library's regulations for Internet use will be denied future access to the internet. Please read complete regulations posted near the computers.
