By signing this agreement I accept full financial responsibility for any and all charges incurred.

Office use only: Acct # _____ **Auto Bill?** *N*

DOCKING

Casey Moran, aka City Float, is our dedicated open moorage harbor. There is some dedicated open moorage at Bar Harbor North & South, Thomas Basin, Knudson Cove, and Hole-in-the-Wall. Harbor maps are available on our [Website](#). You may come and go from these without requesting an assignment from the Harbormaster.

Most finger slips and some parallel moorage are leased to reserved stallholders. We hot-berth these some of these stalls. **These stalls are assigned with Harbormaster permission only.** Assignment does not guarantee the stall for the duration of your stay. You must be available to move the boat.

ELECTRICITY

All meters in Casey Moran are available for your use.

In other harbors, meters available for your use are marked with a **red HP (Harbor Power)** sticker near the meter's face.

DO NOT use any other meters as they are privately owned, and this is utility theft.

TENDERS/SKIFFS

Very small tenders may be allowed in the water beside the mother boat. Registration and moorage fees apply.

MOORAGE & ELECTRIC FEES

Please inquire at office or on our [Website](#) regarding rates, rules and check-out time.

ELECTRONIC SIGNATURE

An electronic signature is legally the same as an original signature. By electronically signing this document you are legally accepting financial responsibility of charges incurred associated with the vessel noted on this registration.

By signing this registration, I agree to comply with all applicable provisions of the City of Ketchikan ordinances and regulations related to the use of the harbors.
