---

Hi there,

As City staff, we are allowed to educate the public on the state of our infrastructure and roads. However, outright promotion of Measure L is unfortunately not allowed. We all hear the complaints and valid frustrations. Below was a response I sent and wanted to share with all of you because maybe it will come in handy when a need arises to explain with a member of the public where we are and how we got here.

Thanks and have a great day!

Rebecca Neves, P.E., QSD/P  
City Engineer  
City of Placerville
