Good Morning Rebecca

Hope everything is going well with you. At some point in the next little bit, I'd like to get together to get your ideas on a strategy for moving forward with the measure L/measure H work. You saw my email to you and Cleve but I rely on you to let me know if I am full of it.

Perhaps you would like to grab a lunch or coffee?

Thanks.

John

Hi John,

Hope you are well. I'm on vacation next week, but could meet the following week if you're available?

I'm available any day next week except Thursday.

Thanks!
Rebecca

So is that the week of November 28, or December 5? I have open times in both.

Good Morning!

Sorry for the late follow up! Hope you had a nice thanksgiving with your family. I heard you had stopped in on Monday and I was out sick yesterday... but I'm here today! I'm available until the afternoon and then I'll be fully sucked into the clutches of the Pardi project until about 8 pm.

Thanks!
