**DISCRIPTION OF SECTIONS TO CHOOSE (Attach appropriate section form)**

**Initial choice**      Select one of the following methods to meet the requirements.

**Section C. MATERIALS WASTE MANAGEMENT PLAN (WMP): (includes self haul)**

California Green Code, Section 5.408.1.1.	Submit a waste management plan, with supporting documents, that creates waste separation at the job site to recycle <b>65%</b> of construction materials and prevent minimum recyclable construction materials from going to waste handling facilities at El Dorado Disposal Services.
---	--

**Section D. MATERIALS WASTE MANAGEMENT COMPANY: (franchise hauler)**

California Green Code, Section 5.408.1.2.	A waste management company that collects all mixed construction debris on the jobsite and is transported to the El Dorado Disposal Services C & D facilities to recycle <b>65%</b> of the materials.
---	--

**Section E. WASTE STREAM REDUCTION ALTERNATIVE (Used only for new construction)**

California Green Code, Section 5.408.1.3.	A waste management plan that is only 2 lb/sq. ft. of construction waste going to the El Dorado Disposal Services facilities. Ed Dorado Disposal will provide verifiable documentation. (Total square footage of the project building(s).)
