CLAY STREET REALIGNMENT AND BRIDGE REPLACEMENT PROJECT

(CIP #40617)

A Federally Funded HBP Project
(Project No. BRCMLO 5015(011))

RFP ADDENDUM NO. 1

Attention all prospective respondents to the Request for Proposals (RFP) for the subject project:

1. The Request for Proposals title is amended from “Clay Street Realignment Project” to “Clay Street Realignment and Bridge Replacement Project.”
2. Title page, Table of Contents and Tab sheets will not be considered in the 25-page limit. The proposer may organize their proposal as they feel necessary provided all minimum requirements are included (see page 5-6 of the RFP).
3. Full page resumes are not required.
4. An Appendix may be added to the Proposal. Any information presented in the Appendix may not be reviewed by the review panel. All pertinent information should be within the 25-page Proposal.
5. Form 10-Q “Disclosure of Lobbying Activities” is the only item that may be included in an Appendix that will be reviewed by the review panel.
6. Unique firm or subconsultant’s firm information pertaining to this project should be included in the proposal under Items 8 and 9 (see page 5-6 of the RFP).
7. A Scope of Services is required. It should be addressed under Item 7 (see page 5-6 of the RFP). The corresponding task budget for each item detailed in the Scope of Work should be included in the Cost Proposal to be provided in a separate sealed envelope.
8. Proposals will be evaluated based on the information provided that reflects the project understanding, required scope of services to complete the project, and meets all proposal requirements.
9. Proposal due date remains the same: October 6th 2015 at 4:00-pm.
