\$1,000 or more will be recognized on a plaque
at Town Hall.

A garden for peaceful reflection, this attractive public place will preserve
historic elements and provide a restful seating area on Main Street.

In keeping with Community Pride's goal "to improve the grace and charm of Placerville", a plan has been developed to make improvements to the area located adjacent to the District Attorney's Office at the corner of Main Street and Bedford Avenue. Your donation will help to make this possible. The design includes landscaping, benches, a monument for Vietnam Memorial Plaques once located along Main Street, and reinstallation of the historic bell.
