

Dear Friends,

THIS IS AN EXCITING OPPORTUNITY, AND WE NEED YOUR HELP!

Placerville has been selected as one of 100 communities who are eligible to receive a complete makeover of Main Street, and it's up to YOU to vote!

The 20 towns who receive the most votes will have their Main Street facades completely repainted...even better, color experts will help select historically correct color schemes, local paint companies will receive the funds to supply the paint, and local painters will be hired to do the work.

THIS IS REALLY IMPORTANT...go to the website below to vote, and you can VOTE ONCE A DAY! Voting closes on June 30th, so time is of the essence!

- To vote, go to www.paintwhatmatters.com

- You will see a map. Click on California and 4 cities will pop up.

- Click on Placerville and you've voted! Then do it again tomorrow, and the day after. **VOTE EVERY DAY UNTIL JUNE 30TH.**

WE CAN DO THIS...LET'S RESTORE MAIN STREET TOGETHER and PUT LOCAL PEOPLE BACK TO WORK!
