RE: Small Business Accelerator Workshops

Dear Community Leaders, Panelists & Sponsors

Our FREE Auburn June 23rd and Placerville June 25th Small Business Accelerator workshops are fast approaching! See the attached flyers for more details.

These two workshops will benefit anyone in the Greater Sacramento Region who has ever thought about starting a business, is in the process of establishing a business or has a small business they wish to expand and grow!

You probably know someone who has struggled to find capital for their idea or business, who needs help developing or enhancing their business and marketing plans or simply would need sound business advice, counsel and mentoring from someone who can relate. If this is the case, tell your friend, colleague or acquaintance to **REGISTER** for our **FREE** workshop(s) **NOW!** Hurry seats are limited, and we expect a full house.
