

*"Placerville, a Unique Historical Past Forging into a Golden Future "*

**City Manager's Report**  
**September 9, 2014 City Council Meeting**  
**Prepared by: Phil Boydston, Associate Civil Engineer**

Item #: 8.4

**Subject:** Adopt Resolution No. \_\_\_\_\_, a Resolution of the City Council:

1. Authorizing the City Engineer to execute a Notice of Completion for the Western Placerville Interchanges (WPI) Phase 1A Project (CIP#41301) and instructing the City Clerk to record said Notice with the El Dorado County Recorder's Office.

---

**Background:**

The WPI Phase 1A Project (CIP#41301) was awarded to Doug Veerkamp General Engineering at the regular City Council meeting of September 25, 2012 in the amount of \$5,711,299. Since that time construction of the westbound onramp from Ray Lawyer Drive, an auxiliary lane to connect the new onramp with the existing Forni Road/Placerville Drive offramp, the relocation and improvement of Fair Lane to provide the necessary room for the auxiliary lane, and related water, sewer, and storm drainage improvements have been completed by the contractor. The final construction contract amount of \$5,998,811 has been agreed upon between the City and the contractor. All contract change orders were approved by the City Council in previous actions.

**Discussion:**

The project is now ready for acceptance by the City, after which action the Notice of Completion can be recorded and final payments made to the contractor.

**Budget Impact:**

There is no budget impact associated with this action other than staff time. The City received a \$1,200,000 advance from El Dorado County to partially fund the \$7,300,000 project. At the time the funding was made available, it was agreed that any remaining amount at the end of the project be returned to the County. Staff anticipates a portion of the \$1,200,000 advance will remain unspent. Therefore, it is also staff's recommendation that the remaining amount of the advance be returned to El Dorado County once the Notice of Completion has been filed and the 30 day waiting period is complete.

**Recommendation:**

Adopt Resolution No. \_\_\_\_\_, a Resolution of the City Council:

Authorizing the City Engineer to execute a Notice of Completion for the Western Placerville Interchanges (WPI) Phase 1A Project (CIP#41301) and instructing the City Clerk to record said Notice with the El Dorado County Recorder's Office.
