

"Placerville, a unique historical past forging into a golden future."

City Manager's Report
October 25, 2016 City Council Meeting
Prepared by: Cleve Morris, City Manager
Item #: 3.3

Subject: Review and accept Placerville Fire Activity Report

Discussion:

At the City Council Meeting on May 10, 2016, Council reviewed the agreement between El Dorado County Fire District and the City. As part of that review, it was requested that the District provide a monthly activity report for Council review. Attached are the reports for the months of August and September. This report will be provided to the Council on a monthly basis. Tonight, Fire Chief Michael Hardy will provide a brief review of the report. In the future the report will be provided as an informational item only.

The District recently purchased some new Fire Engines. One of those engines is now stationed in Placerville at Station 25. The engine will be on display during this Council Meeting. Council may want to take a 15 minute recess to view the new engine.

Options:

1. Information only.

Cost: None

Budget Impact: None

Recommendation: Review and accept Placerville Fire Activity Report

M. Cleve Morris, City Manager
