"Placerville, a Unique Historical Past Forging into a Golden Future"

City Manager's Report
August 22, 2017, City Council Meeting
Prepared by: M. Cleve Morris, City Manager
Item #: 8.4

Subject: Appoint the Measures H/L Sales Tax Committee with the addition of Dennis Thomas and Sue Rees to serve as the Ad Hoc Parking Advisory Committee.

Background:

In 2013, the Council appointed the Ad Hoc Parking Advisory Committee consisting of the Measure H Sales Tax Committee plus two additional members of the Placerville Downtown Association (PDA). The original Committee consisted of the Measure H Sales tax Committee plus Sheila Hill (currently Kelly) who was the president of PDA and Dennis Thomas who had been a member of the previous Parking Committee. Sheila Kelly later left as President of PDA and Sue Rees was appointed to the committee.

Discussion:

In February of this year, the Council appointed the Measures H/L Sales Tax Committee which essentially abandoned the existing Measure H Sales tax Committee. As such, staff recommends the Ad Hoc Parking Advisory Committee should be reappointed.

Staff recommends that we once again appoint the Measures H/L Sales Tax Committee plus Dennis Thomas and Sue Rees to serve as the Ad Hoc Parking Advisory Committee. Many of the Measures H/L Sales tax Committee members were part of the Measure H Sales Tax Committee and therefore participated in the previous Ad Hoc Parking Advisory Committee. Staff feels having this continuity as we review additional changes to the program is important.

Options:

1. Appoint the Committee as recommended.
2. Recommend a different membership for the Committee and direct staff to bring back an agenda item to appoint the Committee.

Cost: None.

Budget Impact: None

Recommendation: Appoint the Measures H/L Sales Tax Committee with the addition of Dennis Thomas and Sue Rees to serve as the Ad Hoc Parking Advisory Committee.

M. Cleve Morris
