

"Placerville, a Unique Historical Past Forging into a Golden Future"

City Manager's Report
October 13, 2015 City Council Meeting
Prepared By: Pierre Rivas, Development Services Director

Item#: 8.6

Subject: Adopt a resolution approving the purchase of a Taylor Dunn Model MX-1600 Electric Utility Vehicle in the amount of \$12,096.00 from Toyota Handling Materials of Northern California (TMH) and authorize the Development Services Director or his designee to execute associated agreements and other documentation on behalf of the City.

Discussion: As part of the 2014/15 budget process, it was determined that a new utility vehicle for use by the operations and maintenance personnel was necessary to replace the existing "club cart" (1996 Ingersoll-Rand Electric Vehicle Club Cart) which is aging and subject to frequent repairs.

Four comparable models with similar cost were evaluated by the Water Reclamation Facility Staff. The Taylor Dunn MX 1600 Electric Vehicle was selected as being the best suitable electric utility vehicle for use at the plant based its price and standard features. The Taylor Dunn has a larger flat bed area with a steel ladder rack, 4-inch mounted vice, storage compartment, built in tool chest, and exterior lighting which the Cushman Hauler does not. The Cushman Hauler is a golf cart modified for lighter duty purposes.

Toyota Materials Handling of Northern California, West Sacramento	Taylor Dunn MX 1600 Electric Vehicle	\$12,096.00
Electrick Motorsports, Rocklin	Cushman Hauler Pro 72 Volt	\$10,400.94
Nick's Custom Golf Cars, Rocklin	Club Car Carryall 700 Flatbed	\$12,159.52
True Value Hardware, Placerville	John Deere Gator TE Electric Utility Vehicle (MY 16)	\$15,201.11

1. All prices include sales tax.

Cost: The total purchase price for a Taylor Dunn Electric Utility Vehicle with standard features is \$12,096.00 available through Toyota Materials Handling of Northern California in West Sacramento, the price of which includes delivery and sales tax.

Budget Impact: At its meeting held on February 10, 2015, the City Council approved an equipment lease agreement with the Holman Capital Corporation in the amount of \$706,518. The Purchase of an “electric vehicle club cart” in the amount of \$12,200 was included in the \$706,518 lease agreement. The proposed purchase of a Taylor Dunn MX 1600 Electric Vehicle in the amount of \$12,096 is within the \$12,200 lease set aside.

Recommendation:

Adopt a resolution approving the purchase of a Taylor Dunn Model MX-1600 Electric Utility Vehicle from Toyota Materials Handling of Northern California (TMH) in the amount of \$12,096.00 and authorize the Development Services Director or his designee to execute associated agreements and other documentation on behalf of the City.

M. Cleve Morris, City Manager
Director

Pierre Rivas, Development Services

RESOLUTION NO. _____

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PLACERVILLE
AUTHORIZING THE PURCHASE OF AN ELECTRIC UTILITY VEHICLE FROM
TOYOTA MATERIALS HANDLING OF NORTHERN CALIFORNIA
IN THE AMOUNT OF \$12,096**

WHEREAS, the adopted Fiscal Year 2014/2015 Budget included the purchase of a new electric utility vehicle for use by the operations and maintenance personnel at the City's Water Reclamation Facility; and

WHEREAS, staff evaluated comparable models and found that the Taylor Dunn Model MX-1600 Electric Utility Vehicle meets and exceeds the utility requirements and pricing for use at the City's Water Reclamation Facility; and

WHEREAS, the purchase price of the Taylor Dunn Electric Utility Vehicle is within the amount of \$12,200 allocated in the adopted 2014/2015 Budget; and

WHEREAS, at its regular meeting held on February 10, 2015, the City Council approved an equipment lease agreement with Holman Capital Corporation in the amount of \$706,518 and the purchase of an electric utility vehicle in the amount of \$12,200 is included in the lease agreement; and

WHEREAS, the Taylor Dunn Model MX-1600 Electric Utility Vehicle in the amount of \$12,096 is within the \$12,200 lease set aside.

NOW THEREFORE, BE IT RESOLVED, that the City Council of the City of Placerville does hereby:

Authorize the Development Services Director or his designee to execute associated agreements and other documents on behalf of the City for the purchase of a Taylor Dunn Electric Utility from Toyota Materials Handling of Northern California.

The foregoing Resolution was introduced at a regular meeting of the City Council of the City of Placerville held on October 13, 2015, by Councilmember _____ who moved its adoption.

The motion was seconded by Councilmember _____. The motion was passed by the following vote:
