19 MADAM CLERK: And that's it for communications,  
20 Mayor.

21 MAYOR PETRACCO: Okay. Then we're going to move  
22 on to presentations tonight.

23 The first presentation we have is for the Nutley  
24 Police Department for accreditation award. I see that our  
25 Chief is here somewhere. Where did he go? Chief --

1 UNIDENTIFIED SPEAKER: (Inaudible) not even here  
2 yet.

3 MAYOR PETRACCO: He's running a little late?  
4 Okay.

5 Then we'll move on to our Proclamations.

6 This year we have our L.E.A.D officer of the  
7 month, Steven Rogers. Is Steven here?

8 Steven. There you are. I don't recognize you out  
9 of uniform.

10 But this is a brief summary of what the L.E.A.D.  
11 Program is. We were able to get police officers back in the  
12 school. I don't want to compare it to D.A.R.E, the old  
13 D.A.R.E. program, but it is -- I guess, it is something like  
14 that.

15 Chief, you want to give a -- a little brief  
16 statement about exactly what we're doing with the L.E.A.D.  
17 Program?

18 CHIEF STRUMOLO: The Lead Program is, again, like  
19 the Mayor stated, getting -- getting the officers back into  
20 the school system, interacting with the children on a  
21 positive -- a positive note. Getting them to know the  
22 officers.

23 Also, teaching a curriculum that will discourage,  
24 you know, future drug abuse, teaching them to be leaders,  
25 teaching them to go in the right direction as -- as they're

1 maturing through the school system and -- and I can't tell  
2 you enough how -- how receptive the program has been.

3 We're getting nothing but compliments; whether  
4 from the school district, from parents walking up to me,  
5 saying it's truly a great program and for a little while  
6 there, we were -- we (inaudible) we weren't involved too  
7 much in the elementary schools.

8 But, now, this program has allowed us to get back  
9 in and -- and -- and do the interaction. That's important  
10 and it's working out well and -- and Steve Rogers, and --  
11 and the other officers, that volunteered to become L.E.A.D.  
12 instructors have been tremendous and -- and I have to give  
13 them credit because they really have taken it to the next  
14 level and they really, truly are going in and caring to work  
15 with the kids and -- and -- and become leaders and figures  
16 for them to look up to.

17 So I congratulate him on his award and hopefully  
18 the program will continue to move forward and it's an --  
19 it's an asset to the department and also good for the  
20 children in the community.

21 MAYOR PETRACCO: Thank you, Chief.

22 Okay. Thank you, again, Chief.

23 We have a Proclamation that I'll read. I'll read  
24 this in conjunction with my good friend, Commissioner  
25 Rogers, being that it's son that's receiving the award.

1           WHEREAS, Steven Rogers, II grew up in Nutley going  
2 through the school system and graduating from Nutley High  
3 School in 2001; and

4           WHEREAS, after graduation, Steve enlisted in the  
5 United States Marine Corps an infantryman serving in various  
6 regions throughout the world including Operation Iraqi  
7 Freedom during which time he was promoted to the rank of  
8 Sergeant; and

9           WHEREAS, while serving in active duty, Steve  
10 received several medals and commendations before being  
11 honorably discharged in 2005; and

12           WHEREAS, in a desire to continue to serve his  
13 country, Steven joined the Nutley Police Department  
14 following his discharge; and

15           WHEREAS, during his tenure in the Nutley Police  
16 Department, Steve became actively involved in the Township  
17 concerns, most specifically as an active member of the  
18 Nutley Amvets; and

19           WHEREAS, most recently Steve became a L.E.A.D.  
20 Officer, Law Enforcement Against Drugs, and demonstrated his  
21 give-back spirit in guiding children in the same elementary  
22 school he attended as a child; and

23           NOW, THEREFORE, BE IT RESOLVED by the Board of  
24 Commissioners, Township of Nutley, County of Essex, State of  
25 New Jersey that, Steven Rogers, II, Police Officer in the

1 Nutley Police Department, be recognized and congratulated on  
2 his recent distinction as the L.E.A.D. officer of the month  
3 in March and for also demonstrating the importance of being  
4 a positive, inspirational force among the youth in our  
5 community.

6           Congratulations, Steve. Would you like to come  
7 up?

8           (Applause)

9           MAYOR PETRACCO: Steve, come -- please come to the  
10 podium, Steve.

11           Before we give you a chance -- excuse me. Before  
12 we give you a chance to speak, I'd just like to give my  
13 fellow Commissioners a chance to speak also.

14           But, you know, a little funny story between Steve,  
15 the 2nd, I guess it's not junior, it's Steve the 2nd.

16           OFFICER ROGERS: I'm the 2nd. Nope. Make sure  
17 there's no confusion; all right?

18           (Laughter)

19           MAYOR PETRACCO: Steve, be nice to your dad.

20           (Laughter)

21           MAYOR PETRACCO: But --

22           OFFICER ROGERS: Hey, he gets my bank statements  
23 and everything; you know.

24           (Laughter)

25           MAYOR PETRACCO: But, at any rate, you know, when

1 I -- when I first came to Public Safety and I first met  
2 Steven, you know, I was a little up in the air about how our  
3 relationship was going to go. And, I have to tell you, and  
4 I say this story often, the speech that you gave at that  
5 Memorial Day service really -- I know it touched me and --  
6 and you especially won over the heart of my mom.

7           You know, I looked to my left after you got done  
8 speaking of what your life was in the military like that  
9 people take for granted; how you escorted kids to school  
10 with a machine gun. You know, I looked to my left and I saw  
11 my mother sobbing and I thought she was coming up to me to  
12 give me a hug and a kiss and she wind up running up to Steve  
13 the 2nd, you know.

14           So you do remember that, right, Steve?

15           OFFICER ROGERS: I remember that.

16           MAYOR PETRACCO: Yep. So I can't thank you enough  
17 for serving your country and I sure can't thank you enough  
18 for volunteering for this L.E.A.D. program.

19           You're a unique individual. I have a lot of  
20 respect and regard for you of, you know, what you did for  
21 this country and what you do for the Nutley Police  
22 Department. So, thank you.

23           Commissioner Scarpelli.

24           COMMISSIONER SCARPELLI: Steven, thank you for  
25 your service to our country, your service to your town,

1 service to the Board of Education and our kids.

2 I know the Mayor's, along with his HOPE program,  
3 we had another young person pass away this week and it's --  
4 so this kind of educational process is much needed for our  
5 young people.

6 So, thank you.

7 OFFICER ROGERS: Thank you, sir.

8 COMMISSIONER SCARPELLI: Thank you, to the Mayor.

9 COMMISSIONER ROGERS: Certainly, as a father, I'm  
10 proud of you. Now they can start calling you Captain  
11 America.

12 (Laughter)

13 COMMISSIONER ROGERS: The Chief alluded to  
14 something very important and you have, Mayor, all along.  
15 This L.E.A.D. program, in my 38 years in law enforcement and  
16 thereafter, I have never heard of such a good -- good, solid  
17 program in the community; well run, well operated.

18 So I certainly congratulate you, Steven, on the  
19 job you're doing.

20 I've heard from teachers, Chief. I've heard from  
21 parents. I've heard from a heck of a lot of people. The  
22 men in uniform behind you are the greatest cops in the  
23 world. I know, Mayor, you've said that to me a million  
24 times. You've got the greatest police department in the  
25 world there.

1           So you're with a good crew. You're certainly  
2 following dad's footsteps. You know what he wants to do  
3 next, fellows? He wants to get a German shepherd.

4           (Laughter)

5           COMMISSIONER ROGERS: But I thank you for the  
6 service to your country. Mayor, thank you for your kind  
7 words and for having this L.E.A.D. program.

8           And I'll clos by saying, Semper Fi. Hoorah.

9           OFFICER ROGERS: Hoorah.

10          MAYOR PETRACCO: Thank you, Commissioner.

11          Commissioner Evans.

12          COMMISSIONER EVANS: Steve, it's -- I apologize  
13 for my voice.

14          But, first, let me say, it's always a special day  
15 when a parent, especially a father, can be present when  
16 their child is being honored. So I want to congratulate you  
17 on that and Steve I congratulate you as well. It's always a  
18 special -- a special day.

19          It's also special when that activity that you're  
20 being honored for is something that is so highly treasured  
21 and so valuable in this day and age. Drug abuse is an  
22 epidemic. It's easy for children to get sidetracked. All  
23 of your efforts in this, I applaud you for that -- that you  
24 give your time and your willingness to try and help those  
25 children.

1 I understand you serve our country and I  
2 appreciate that as well.

3 So congratulations.

4 OFFICER ROGERS: Thank you, sir.

5 MAYOR PETRACCO: Commissioner Tucci.

6 COMMISSIONER TUCCI: Yes, thank you, Mayor.

7 Well, it's obvious that the apple didn't fall far  
8 from the tree.

9 I want to thank you for your service to our  
10 country. I want to thank you for everything you do for our  
11 children. I know your -- your father and your wife and your  
12 children (inaudible) entire family are very proud of you and  
13 what you've accomplished in this short period of time.

14 And I just want you to know that you make us very  
15 proud sitting up here seeing that we have police officers  
16 with dedication and commitment such as yours. That is  
17 really moving our town forward.

18 So thank you for everything that you do.

19 OFFICER ROGERS: Thank you, sir.

20 MAYOR PETRACCO: Steven, now this is your big  
21 moment. You have the spotlight. Would you like to say a  
22 few words?

23 OFFICER ROGERS: I'd just -- Mr. Mayor, I'd like  
24 to thank you, Chief Strumolo and where's (inaudible)  
25 Detective Sergeant Padilla (ph) for giving me the

1 opportunity to actually take part in this program.

2 Back when I became a police officer, I saw what my  
3 dad did when I was a little kid back at Lincoln School when  
4 the cops were in the schools and that's why I became a cop  
5 to be involved in the community, to be a good role model and  
6 to be involved in kids' lives. And I'm so happy that it was  
7 your direction, sir, because of the Chief, all the efforts  
8 that Sergeant Padilla's doing, that we're actually being  
9 able to go back in the school.

10 And, then, take part and that's the greatest  
11 thing. I mean, I don't know if we have any teachers here,  
12 but kudos to all the teachers. My hardest day of work is  
13 the L.E.A.D. day. My wife will know. I come home after we  
14 do our classes. I'll go home and I just crash. By eight  
15 o'clock, I'm in bed sleeping. I took my Aleve --

16 (Laughter)

17 OFFICER ROGERS: -- and the next day I'm popping  
18 the vitamin C because I'm like my body is totally drained.  
19 It's -- it's really hard what but what makes it, is the  
20 teachers. The teachers are able to provide an atmosphere in  
21 which the police officers could go in and we could actually  
22 speak to the kids.

23 So if there is any teachers, whoever been in teach  
24 before, thank you so much for allowing us to (inaudible) in  
25 the schools and to build a relationship with the children

1 because police, right now, have a bad perception and it  
2 takes us being within the community, doing more than just  
3 writing tickets, but saying, hello, and reaching out to  
4 people. That's what changes our perceptions.

5 So I thank you, Mr. Mayor, for this opportunity,  
6 all the Commissioners, every teacher and my superiors behind  
7 me. Thank you so much.

8 (Applause)

9 (Pause)

10 MAYOR PETRACCO: Okay. While we are on  
11 presentations, our next presentation is actually going to be  
12 Steve Rogers, Sr., our Commissioner here. And I'm going to  
13 -- it's a Veteran's Award, and I'm going to ask Mr. Jack Kane  
14 to come up here and give a little synopsis of what we're  
15 doing.

16 MR. KANE: Good evening, Commissioners, Mayor.  
17 Steve Rogers especially. We're here to honor him as Veteran  
18 of the Year for 2015. (Inaudible) 16 now but (inaudible)  
19 how hard it is to nail him down to make him stand still long  
20 enough. So we had to come here where he has to be here.

21 So we're going to honor him for being Veteran of  
22 the Year because, after being elected Commissioner, he  
23 started the Department of Military and Veteran's Affairs  
24 here in the town. And he's got notoriety throughout the  
25 State. All the municipalities, they're asking about this

1 program and (inaudible).

2 We're proud of it because it sees to it that  
3 veterans in this town get the help they need. It gets them  
4 to the VA hospitals for appointments because it's very  
5 difficult to get a cab or a county bus to get them there for  
6 their appointment and pick them up and get them home  
7 (inaudible). Scheduling is very difficult so he has people  
8 picking (inaudible).

9 So it's -- it's a great program. The veterans  
10 come in the door all the time looking for help and we've got  
11 two guys here, veteran service officers Courtney Johnson and  
12 Dan Jacoby. They're -- they're (inaudible) veteran service  
13 officers. They've got it on the computer all the information  
14 they need to assist them as in the help they need.

15 After all his military service of many years  
16 (inaudible) retired lieutenant, now he's a Commissioner  
17  
18 (inaudible) this program. So we're very pleased that he  
19 is the Veteran of the Year for Nutley and we are  
20 presenting this plaque (inaudible).

21 MAYOR PETRACCO: I have it.

22 MR. KANE: (Inaudible).

23 MAYOR PETRACCO: I have it. In back, here.

24 MR. KANE: Phew.

25 MAYOR PETRACCO: So, thank you, Mr. Kane. I -- I

1 just -- before we bring Commissioner Rogers up, I'd like to  
2 (inaudible) okay. Okay. I'd just like to comment.

3 You know, Steve, over the last four years and  
4 before that, I be -- I've been able to -- please stay up  
5 there, Jack. Please. Yeah. Yeah.

6 And I just wanted to comment. You know, we've  
7 been very fortunate to really get to know each other and the  
8 things that's Commissioner Rogers have done with the  
9 veterans is really unbelievable in my eyes.

10 And the thing that you've been able to do, Steve,  
11 if I may, you've been able to put a smile on their faces.  
12 And, I have to tell you, these young kids coming back from  
13 these wars without limbs and, you know, mental inabilities,  
14 to make somebody like that smile or somebody that served, as  
15 my father did, that you gave a medal to him, to see those  
16 elderly people smile like that, I have to tell you, I'm  
17 really, really proud to call you my friend. Really a job  
18 well done.

19 Commissioner Scarpelli.

20 COMMISSIONER SCARPELLI: Commissioner, great job.  
21 You know, this is a model program throughout the State and I  
22 hope other towns take the -- the baton from you to serve all  
23 veterans throughout the State, not just (inaudible).  
24 Congratulations.

25 MAYOR PETRACCI: Thank you. Commissioner Evans.

1           COMMISSIONER EVANS: Steve, I'll just -- I'll play  
2 on your words.

3           This is another great thing about Nutley. We have  
4 a program. We have leadership in a program. We're  
5 fortunate is that we all sit here as a team to lead the way  
6 for the town and that leadership comes at many levels. So  
7 the engagement that you have, the passion that you have,  
8 benefits all of us. And, as a result, we all rise from it.  
9 So congratulations.

10          MAYOR PETRACCI: Commissioner Tucci.

11          COMMISSIONER TUCCI: Yes. I'll be brief.

12          Steve, first of all, I'm very proud and honored to  
13 serve with you up here.

14          What you've done for our veterans is second to  
15 none. Most importantly, I think to understand is that you've  
16 given our veterans that didn't get the recognition that they  
17 deserved that recognition. You've -- you've raised the bar  
18 as far as how we need to treat veterans and how veterans need  
19 to be treated, not only in Nutley and the State of New  
20 Jersey, but throughout the entire country.

21          So I'm very proud of what you've done. I'm very  
22 proud to support all of your efforts and just keep on going  
23 because our veterans need people like you.

24          Thank you very much.

25          MAYOR PETRACCO: Thank you. Commissioner, would

1 you like say a few words.

2 COMMISSIONER ROGERS: You know, there's a lot of  
3 praise being thrown upon me but here's the truth. The truth  
4 is that in June of 2012, this governing body, they took a  
5 bit of a chance. They took a bit of a risk because never in  
6 the history of this State had a local municipality taken a  
7 step forward to create the first military and veteran's  
8 affairs bureau on a local government level. Nobody in the  
9 State has done this.

10 In fact, it was so talked about, if you gentlemen  
11 remember, Fox News actually came and they did an  
12 investigative report and they talked to the veterans. And  
13 they found out that, you know what, what this governing body  
14 did is working.

15 It was this governing body, not just me, that took  
16 that step forward. So it is I who owe you a thanks.

17 Secondly, there was another part of this team. It  
18 was a team led by men like Jack Kane, men like Herb, who's  
19 sitting there quietly, working very hard with our veterans.  
20 The VFW, the American Legion, the Amvets.

21 We had a difficult task. We had to go out and  
22 find the veterans. Any veteran will tell you, especially  
23 those World War II guys, you know what the answer is? And I  
24 -- Mayor, I talked to you a lot about -- even your own dad  
25 you faced this with. They don't want medals. They don't

1 want recognition. Their answer is; I served my country,  
2 period. But it was tough getting these gentlemen and these  
3 ladies together. But as a team we were able to do that.

4 And then God really blessed me with two fine  
5 veterans who we were able to bring into the Township as  
6 employees, veteran service officers, and I introduce them  
7 tonight. I introduce Courtney Johnson, Iraq War Vet, Gunny  
8 Sergeant, U.S. Marines. He's done a great job.

9 (Applause)

10 COMMISSIONER ROGERS: Hoorah.

11 (Applause)

12 COMMISSIONER ROGERS: I introduce Dan Jacoby,  
13 quietly sitting back there, United States Army, Iraq War Vet  
14 and has one motto every day; my veterans are going to be  
15 taken care of. Thank you Dan and God bless you for your  
16 work.

17 (Applause)

18 COMMISSIONER ROGERS: And then, finally, I say  
19 this. I cannot say enough good about our police department  
20 and our fire department. How many times did I make a call  
21 to you, say we have a vet in need? You were there.

22 The Parks and Recreation Department, the same  
23 thing. Commissioner Scarpelli, the same thing and  
24 Commissioner Evans the same thing.

25 So it isn't a one man or one department effort.

1 It is an effort on behalf of all of our departments.

2 Then the final, final thing I'll say this.  
3 Nutley, New Jersey, and I've said this all over the country,  
4 a model for this country because I -- I -- I don't know of  
5 anywhere I've ever seen so many people volunteer to do the  
6 great things we're doing in town.

7 There are so many organizations where people are  
8 taking a step forward. Whether you're a young person or an  
9 elderly -- excuse me, citizen or -- or -- or a civilian who's  
10 never served -- you know, I hear people say; gee, I never  
11 served. Can I help? Well, you have served. You've served  
12 here at home when the troops are overseas.

13 But it's a truly a team effort. It's a community  
14 effort and I thank you. And, you know what, I'm going to  
15 stand up and salute you. Thank you and God bless you.

16 (Applause)

17 (Pause)

18 MAYOR PETRACCO: Okay. I just got word that we  
19 are going to do our Nutley Police Department presentation  
20 with the accreditation.

21 Just before we bring them up, Chief, I'd just like  
22 to talk about the commitment from the Nutley Police  
23 Department, what went into this accreditation.

24 It is an unbelievable amount of work. It's --  
25 it's -- to take charge leadership that starts at the top

1 with our Chief and filters down. I know we have people here  
2 that are going to talk about what was done but I have to  
3 tell you it is really something that has put our police  
4 department in the forefront.

5 And every time we have the auditors come in that  
6 do the accreditation, it's really nice to hear that Nutley  
7 is way ahead of the curve with our technology and everything  
8 else that the police department brings.

9 So, at this time, Chief, would you like to bring  
10 them up?

11 (Pause)

12 CHIEF STRUMOLO: I'd like to introduce Mr. Harry Delgado  
13 (ph). He's from the New Jersey State Chiefs of Police  
14 Association. He's the State accreditation manager for the  
15 association that oversees all the accreditation process  
16 throughout the State. So Harry.

17 MAYOR PETRACCO: Thank you.

18 MR. DELGADO: Good evening, Commissioners. I -- I  
19 certainly appreciate the privilege of presenting to you or  
20 recognizing your police department as not only one of the  
21 best in the State of New Jersey but one of the best in the  
22 nation. I do have proof. I'd like to offer that.

23 And to add context to what I'm about to present  
24 your police department with tonight, I should say that  
25 there's over 470 law enforcement agencies in the State of

1 that would be eligible to apply for accreditation. Only  
2 about a -- only a hundred and fifty-two are accredited to  
3 date, or have gone through the process of accreditation and  
4 that says a lot because that means that it is a very rigorous  
5 process.

6 Now, maintaining the process after initial  
7 accreditation becomes even more difficult. That's where the  
8 Nutley Police Department actually falls into.

9 So out of those a hundred and fifty-two, a little  
10 bit about -- a little bit more than a third actually have  
11 completed a re-accreditation cycle because it is that  
12 difficult.

13 So if you'll indulge me for a few -- for a few  
14 minutes, for a couple of minutes, I'd like to share with you  
15 the significance of the achievement.

16 Accreditation is a process. Certainly, it is here  
17 in Nutley. The foundation of accreditation lies in the  
18 adoption of standards containing a clear statement of  
19 professional objectives.

20 Accreditation is a progressive and time proven way  
21 of helping law enforcement agencies calculate and improve  
22 their overall performances.

23 It is a certification by an independent reviewing  
24 authority, in this case, the New Jersey State Association of  
25 Chiefs of Police, that the accredited agency was carefully

1 measured against an established set of State and National  
2 standards and has met and, in the case of the Nutley Police  
3 Department, in many instances, exceeded accepted practices  
4 in the field of law enforcement.

5           Accreditation agencies are better able to defend  
6 against lawsuits and citizen complaints. Accreditation  
7 provides objective evidence of an agency's commitment to  
8 excellence in leadership, resource management and service  
9 delivery.

10           Government officials can be more confident in the  
11 agency's ability to operate efficiently and meet community  
12 needs because accreditation embodies the precepts of  
13 community-oriented policing. It creates a forum -- a forum  
14 in which police and citizens work together to prevent and  
15 control challenges confronting law enforcement, provides  
16 clear direction about community expectations.

17           Accreditation standards give the Chief a proven  
18 management system of written directives, sound training and  
19 clearly define lines of authority and routine reports that  
20 support decision-making and resource allocation. And, in  
21 fact, it improves the efficiency of your police department  
22 and it also enhances the delivery of police services  
23 (inaudible).

24           So I can see the even more important effect that  
25 every officer in the Nutley Police Department can take

1 credit and be proud that they have been objectively  
2 recognized for their professionalism adhering to the high  
3 standards.

4 Not only do we make the process difficult by  
5 design because if it means something it should be difficult  
6 to achieve. But after the -- on the average, 18 months, in  
7 this case, two years of accreditation, we have a final on-  
8 site where we come and actually you have to show the proof  
9 to the one hundred and five standards.

10 And I'll paraphrase, exemplary performance from  
11 the Nutley Police Department right out of the assessor's  
12 report.

13 The -- the Nutley Police Department join an elite  
14 group of law enforcement agencies that have achieved re-  
15 accreditation because only a third of those that have  
16 achieved accreditation actually have come twice and that is  
17 the Nutley Police Department.

18 Accreditation is very difficult to maintain. It  
19 must be supported by leadership. That leadership is that of  
20 the Chief, his command staff and the local government that  
21 supports it.

22 (Inaudible) is the process in the Nutley Police  
23 Department is embedded in their culture is the way to  
24 deliver police services each and every day.

25 The Nutley Police Department is a highly

1 professional and committed agency which exemplifies all of  
2 the tenets of law enforcement accreditation.

3 So there's a reason for all of us to be proud.

4 So, therefore, the New Jersey State Association of  
5 Chiefs of Police and New Jersey Law Enforcement Commission  
6 congratulates Chief Thomas Strumolo. I practiced that all  
7 evening. I know --

8 MAYOR PETRACCO: Strumolo. Let me help you.

9 MR. DELGADO: Strumolo.

10 (Laughter)

11 MR. DELGADO: My apologies, Chief. Accreditation  
12 manager, I know him very well, Lieutenant Ken Watson. The  
13 staff of the Nutley Police Department, the Commissioners and  
14 those citizens that they so proudly serve for achieving re-  
15 accreditation joining a very exclusive group of law  
16 enforcement agencies that have made this important commitment  
17 to excellence in policing.

18 Congratulations to you.

19 MAYOR PETRACCO: Thank you so much.

20 (Applause)

21 (Pause)

22 MAYOR PETRACCO: Chief, before you guys leave, I  
23 just want to thank you guys for coming and I want to  
24 congratulate everyone that participated in the accreditation  
25 process. (Inaudible) -- being -- being there, I have to say

1 and I know there's a lot of people that help that aren't  
2 here tonight, so I want to congratulate them and thank them  
3 for their hard work.

4           You know, eight years ago when I first got elected,  
5 Chief Holland came to me and said to me that, you know, we  
6 really want to go forward with the accreditation. And I'm  
7 like; okay. What's accreditation and how much does it cost,  
8 of course.

9           And what he told me back then, most court cases,  
10 the first thing out judge -- judges' mouths are; are you  
11 accredited? And, if not, why not?

12           But that's how important it is and I know the  
13 painstaking work to the details of how hard it is to get  
14 that done. So congratulations to everyone. It's been a  
15 truly a team effort to get that job done. Chief?

16           CHIEF STRUMOLO: Thank you. I'd just like that  
17 thank Mr. Harry Delgado from the New Jersey State Chiefs of  
18 Police for coming out and for his support throughout the  
19 entire process. He guided us along and has been very  
20 supportive.

21           I'm very proud of our department and all the work  
22 that went into achieving this status. It is, like Harry  
23 said, it is a very hard challenge to accomplish. But I  
24 couldn't do it without the command staff that I have and all  
25 the department's support right down to the patrol

1 officers. It starts at the top but everybody's involved in  
2 it from -- from Captain Irwin to Captain Green, all the  
3 lieutenants, all the way down to the -- to the -- to the  
4 bottom of the organization.

5 I'd also like to make a special acknowledgement  
6 for Lieutenant Ken Watson. Ken has -- has served as my  
7 accreditation manager through the first time and now he's  
8 served through it through the re-accreditation which, like  
9 Harry said, is even harder to keep the standards going. And  
10 without Kenny's hard work and dedication of just keeping  
11 everything together, keeping the process moving along,  
12 keeping sure that everybody's meeting their requirements,  
13 it's really a challenge for him and he did an unbelievable  
14 job. And I'd just like to acknowledge him for that tonight.

15 (Applause)

16 CHIEF STRUMOLO: Again, I'd like to thank my  
17 entire command staff. Captain Irwin's here tonight.  
18 Sergeant Padilla here's tonight and all the other captains  
19 and lieutenants that, again, put their heart and dedication  
20 into this to make sure it works.

21 Like Harry said, this process is very time-  
22 consuming and requires constant review of best practices and  
23 standards in law enforcement. But I believe it's well worth  
24 it to ensure the residents of this community have -- that  
25 they're receiving the best law enforcement services

1 possible.

2 I'd like to take the moment to thank the Mayor for  
3 your support through the initial accreditation and also  
4 through the re-accreditation because without the support,  
5 like Harry said, of the governing body, the Mayor, it's hard  
6 to accomplish things. Everybody's got to be working  
7 together and on the same page. And the Mayor has been  
8 tremendous with that; whether it's financially; whether it's  
9 just support in management of the process; he's always been  
10 there and -- and I thank you for that.

11 In addition, I'd like to thank the entire Board  
12 because it's really comforting to work in a community where  
13 all -- the entire governing body supports law enforcement,  
14 supports the police department, gives us the tools and the  
15 resources that we need to continue to keep Nutley safe and  
16 I, again, I just want to publicly thank all of you for that  
17 and that's it.

18 MAYOR PETRACCO: Thank you and -- and, in ending,  
19 what I could tell you about our Board of Commissioners here  
20 is they all acknowledge if we don't have safety in our town,  
21 we don't have anything. So it's a job well done.

22 Commissioner Scarpelli, would you like to say a  
23 comment?

24 COMMISSIONER SCARPELLI: Yeah. I'd just like to  
25 say congratulations to everybody who was involved in this

1 process. The rigors that are involved is certainly a credit  
2 to you, Chief, and to the Mayor and the leadership within  
3 the entire department. So congratulations.

4 MAYOR PETRACCO: Thank you. Commissioner Rogers.

5 COMMISSIONER ROGERS: Chief, you had one of the finest law  
6 enforcement officers in the State, Harry Delgado, working  
7 with you. And Harry and I go way back and great, great job.

8 One cannot say enough about Lieutenant Ken Watson.  
9 I remember when right before I retired and he was given this  
10 assignment, boy, did he make sure every dot was -- every "I"  
11 was dotted and "T" was crossed. He took tremendous ownership  
12 of that accreditation program. So, to you, is he a  
13 lieutenant now?

14 CHIEF STRUMOLO: Yep.

15 COMMISSIONER ROGERS: Lieutenant Watson, God bless you.  
16 Thank you for your good work and you're next to one of the  
17 finest sergeants right there in the PD.

18  
19 Now -- and Chief, thank you. You've done a great  
20 job.

21 Now, let's get to this fellow to my left here.  
22 Mayor, I'll tell you what. I know that when you first came  
23 on board, you had probably the toughest job in the world,  
24 managing a police department.

25 Look how far you have brought this police

1 department. You brought it into the 21st century. You knew  
2 -- you picked the right people to the right job and look  
3 where we are today. So, thank you, thank you. Thank you  
4 for keeping this community safe. Thank you.

5 MAYOR PETRACCO: Thank you so much, Commissioner  
6 Rogers. Commissioner Evans.

7 COMMISSIONER EVANS: Chief, it takes leadership at  
8 all levels, that includes Commissioner and Mayor of that  
9 department, to you, to your men, your officers that are here  
10 and the men that are on the street.

11 I'm proud of you. I congratulate all of you. I  
12 sleep better because of you and I'm thrilled with the fact  
13 that now that my grandson is back in town, we're a great  
14 safe town to live in. So, again, thank you to all of you.

15 MAYOR PETRACCO: Thank you. Commissioner Tucci.

16 COMMISSINER TUCCI: Yes. Congratulations, first to  
17 the Mayor and Director of the Public Safety Department.

18 And just a little bit of history before I  
19 congratulate the Chief and (inaudible) the outstanding job  
20 that they've done.

21 Several years ago, this entire accreditation  
22 program was brought to my attention by the fellows on the  
23 Joint Insurance Fund. And they explained how hard it was  
24 and how difficult it was and how many departments throughout  
25 the State of New Jersey just didn't have the wherewithal,

1 forget about accomplishing what you've accomplished, but  
2 even to attempt it. But I brought it to the Mayor's  
3 attention; all right? And I believe at the time you were  
4 just a Deputy Chief; all right?

5 The two of you together, all right, with people  
6 like Lieutenant Watson and the other folks in your  
7 department seized the moment, jumped on it and just  
8 continued right through.

9 You not only make Nutley proud. You make the  
10 entire Suburban Essex Joint Insurance Fund proud and even  
11 the next level of insurance throughout the State of New  
12 Jersey and, not only are our people safer and is our police  
13 department much more professional, but people throughout the  
14 country recognize what you've accomplished here.

15 And, like Commissioner Evans said, we all sleep  
16 better because of you fellows. It's easy to criticize a  
17 cop. But when you really need a cop, you're there.

18 Thank you for your service. Thank you for  
19 everything you've done, Chief. Thank you, again, Mayor. I  
20 can't say enough for what you've accomplished and what you  
21 continue to accomplish. You have to be the finest police  
22 department in the State of New Jersey.

23 CHIEF STRUMOLO: Thank you.

24 MAYOR PETRACCO: Just before you leave,  
25

1 Commissioner Rogers.

2 COMMISSIONER ROGERS: I'm always looking up like  
3 that but I want to thank, Captain, now? Bob Irwin, Uniform  
4 Division. You've always done a great job. And there's  
5 Anthony Montaneri (ph). You're a sergeant, Anthony?

6 OFFICER MONTANERI: Yes.

7 COMMISSIONER ROGERS: He's -- I -- I -- you've  
8 done a great job and you're the public relations guy, now,  
9 right?

10 OFFICER MONTANERI: Yes, sir.

11 COMMISSIONER ROGERS: Go ahead. Do me a favor.  
12 Look into the camera. They're your best friends.

13 (Laughter)

14 COMMISSIONER ROGERS: A camera's your best friend.  
15 Great job. Thank you.

16 CHIEF STRUMOLO: Mayor, on a side note, the award  
17 -- I just want to clarify, the award that Patrolman Rogers  
18 got, that was on a State level of L.E.A.D. That wasn't just  
19 a Nutley Police Department, that was -- he was recognized as  
20 L.E.A.D. officer throughout the State of New Jersey. So it  
21 was good accomplishment.

22 And, while we're speaking on it, I'd like to  
23 recognize Detective Sergeant Mike Padilla because, again,  
24 Mike -- Mike is heavily involved in the L.E.A.D. Program.  
25 When we first decided to go to it, Mike was my go to guy.

1 And I -- I gave it to him and he ran with it. And, as we  
2 all know, he's -- he's unbelievable with the kids and  
3 organizing any activities with them and he's really taken  
4 this program and made it what it is today. So I'd like to  
5 thank Mike.

6 MAYOR PETRACCO: Guys, I just want to congratulate  
7 all of you. I don't want to single anyone out. But it's  
8 really nice to be sitting in the seat that I do when you have  
9 a team and police officers like we have in our Public Safety  
10 Department. So job well done. It's good to be part of that  
11 team. Thank you for coming.

12 (Applause)

13 MAYOR PETRACCO: Okay. We will move along to -- I see we  
14 have reports. Is this a Code Enforcement?

15 COMMISSIONER EVANS: Yes. Mayor, I'd like to take  
16 a moment to present to the Board a copy of the Code  
17 (inaudible) enforcement report for the first quarter of 2016.

18 MAYOR PETRACCO: Thank you. I'll hold that up for  
19 the people at home. It's quite a job you did on that,  
20 Commissioner. Thank you so much.

21 Okay. We will move on to bills. Madam Clerk.

22 MADAM CLERK: Yes, Mayor. Public Affairs,  
23 \$167,772.07; Revenue and Finance, \$3,198,306.80; Public  
24 Safety, \$33,689.31; Public Works, \$25,697.82; Parks and  
25

1 Public Property, \$80,827.85; total payroll \$768,826.74; for  
2 a grand total of \$4,275,120.69

3 COMMISSIONER EVANS: Move the bills.

4 COMMISSIONER TUCCI: Second.

5 MADAM CLERK: Commissioner Rogers?

6 COMMISSIONER ROGERS: Aye.

7 MADAM CLERK: Commissioner Tucci?

8 COMMISSIONER TUCCI: Aye.

9 MADAM CLERK: Commissioner Evans?

10 COMMISSIONER EVANS: Aye.

11 MADAM CLERK: Commissioner Scarpelli?

12 COMMISSIONER SCARPELLI: Aye.

13 MADAM CLERK: Mayor Petracco?

14 MAYOR PETRACCO: Aye. Thank you.

15 We'll move on to Ordinance introductions, please.

16 Commissioner Evans.

17 COMMISSIONER EVANS: Thank you, Mayor.

18 In accordance -- an Ordinance to Amend an  
19 Ordinance Codified in the Code of the Township of Nutley,  
20 Chapter 228, Entitled: Vehicles and Traffic, Particularly  
21 Article VII, Special Zones and Areas, Section 29A entitled:  
22 Handicapped Parking, to Add the Locations Set Forth herein.

23 I move that this Ordinance be passed to a second  
24 reading and advertised in The Nutley Sun together with the  
25 Notice required by law and that further consideration of

1 said Ordinance for final passage by the Board of  
2 Commissioners by held at its second reading on May 17th,  
3 2016.

4 So move.

5 COMMISSIONER TUCCI: Second.

6 MADAM CLERK: Commissioner Rogers?

7 COMMISSIONER ROGERS: Aye.

8 MADAM CLERK: Commissioner Tucci?

9 COMMISSIONER TUCCI: Aye.

10 MADAM CLERK: Commissioner Evans?

11 COMMISSIONER EVANS: Aye.

12 MADAM CLERK: Commissioner Scarpelli?

13 COMMISSIONER SCARPELLI: Aye.

14 MADAM CLERK: Mayor Petracco?

15 MAYOR PETRACCO: Aye.

16 COMMISSIONER EVANS: I have the second Ordinance  
17 introduction which is an Ordinance to Exceed the Municipal  
18 Budget Appropriation Limits and to Establish a CAP Bank  
19 pursuant to N.J.S.A. 40A: 4-45.14.

20 This is a journal entry that we hold in the event,  
21 at some future date, appropriations need to rise greater  
22 than the three percent limit which we are not there this  
23 year so we had a difference, we're allowed to include in a  
24 bank.

25

1 I move that this Ordinance be passed to a second  
2 reading and advertised in The Nutley Sun together with the  
3 Notice required by law and that further consideration of  
4 said Ordinance for final passage by the Board of  
5 Commissioners be held at its second reading on May 17th,  
6 2016.

7 So move.

8 COMMISSIONER TUCCI: Second.

9 MADAM CLERK: Commissioner Rogers?

10 COMMISSIONER ROGERS: Aye.

11 MADAM CLERK: Commissioner Tucci?

12 COMMISSIONER TUCCI: Aye.

13 MADAM CLERK: Commissioner Evans?

14 COMMISSIONER EVANS: Aye.

15 MADAM CLERK: Commissioner Scarpelli?

16 COMMISSIONER SCARPELLI: Aye.

17 MADAM CLERK: Mayor Petracco?

18 MAYOR PETRACCO: Aye.

19 Move on to Resolutions now.

20 MADAM CLERK: Commissioner Evans, do you --

21 MAYOR PETRACCO: Oh, I'm sorry.

22 COMMISSIONER EVANS: Do you want to do the budget  
23 next?

24 MAYOR PETRACCO: Oh, I skipped the most important  
25 thing. I'm sorry about that. Commissioner Evans.

1           COMMISSIONER EVANS: Thank you for acknowledging  
2 that it's the most important thing.

3           MAYOR PETRACCO: It sure is.

4           COMMISSIONER EVANS: Tonight we're introducing our  
5 2016 budget and I'm very pleased with the work of the Board  
6 of Commissioners to address the range of cost increases that  
7 we received this year and to work very hard to find a way to  
8 manage our way through this.

9           We seem to find a way every year to keep managing  
10 the tax burden on the tax payers.

11           What I would -- would say at a very high level, our  
12 budget appropriation is increasing \$1,250,000. This is a  
13 1.93 percent increase which is below the 3 percent allowable  
14 increase that we would be allowed to receive.

15           The bulk of that increase relates to costs that --  
16 that we've received for increase in the cost of sewage for  
17 \$107,000. The increase in the cost health insurance,  
18 \$400,000. The increase in the cost of pensions, \$300,000.  
19 And that represents the most -- the bulk of the challenges  
20 that we faced.

21           These aren't normal costs that you can manage each  
22 year easily. They are far greater than what we would  
23 normally expect to -- to see. They're understandable in that  
24 the -- the markets for investment have been very volatile  
25 over the last

1 year. Returns had changed and everyone is experiencing,  
2 across the State, increases in these particular areas.

3 What that means is the -- under the State  
4 statutes, we would be allowed to increase our budget 2.8  
5 percent. That would have produced a \$125.00 increase at the  
6 municipal budget level, not the school or the county. Just  
7 the municipal level -- for the average house that's assessed  
8 at \$316,000.

9 But the work that the Commissioners have -- have  
10 done together and collectively, and this is how we work  
11 together as one team, and -- and the alignment around it is  
12 always to do the very best we can for the benefit of Nutley,  
13 is to achieve a budget, a levy increase of \$758,000. so we  
14 have been able to absorb a portion of these costs. That  
15 means that instead of having a 2.8 percent increase, our  
16 budget increase on the levy is 1.99 percent or 2 percent.

17 So the popular understanding of -- of the tax  
18 laws, the budget laws, basically, says two percent. The  
19 mechanics of it would actually allow more.

20 This Board of Commissioners did not adhere to  
21 that. They said we have to do better. We led the way  
22 through that and everyone cooperated and worked together.

23 This budget also includes State aid and we did not  
24 introduce on May 5th. We were delayed until May 19th  
25 because we were continuing to negotiate with the State.

1 What was really important about that was that our aid,  
2 especially for transitional aid light that we received, we  
3 received five and a half million dollars last year. We  
4 negotiated to receive that same money again this year but  
5 the State wanted us to just recognize seventy-five cents --  
6 seventy-five percent of that.

7 That would have produced a very artificial  
8 increase in our budget which we wanted to avoid. So  
9 negotiating through that with the State, we were allowed and  
10 given permission to anticipate a hundred percent of the aid  
11 that we got last year which means that we will be able to  
12 include in our budget \$5,550,000 of transitional aid light.

13 As a reminder, what's so important about that is  
14 normally, as a municipal government, we would go down and  
15 argue for the municipal tax need. We didn't do that in this  
16 case.

17 We recognized that what's going on with the Roche  
18 property affects, not just the municipal tax, it affects the  
19 school tax. It affects the County tax. And recognizing  
20 that that's not just a Nutley issue, it's a State issue. We  
21 were able to negotiate aid to include 100 percent of the  
22 components of the tax levy.

23 So when a taxpayer looks at their bill and they  
24 see the component for county, school and municipality, we  
25 were able to get State aid to cover all three components of

1 that. And that's -- it took a lot of hard work and a lot of  
2 effort but what's important about it is, it's helping this  
3 Board of Commissioners manage its way through a very complex  
4 situation with the Roche property.

5 So being able to provide our taxpayers with  
6 relief, being able to provide some patience, that's so  
7 important about the negotiation processes that go on, it  
8 takes so much time. We were able to manage within our  
9 means.

10 So, tonight, I'm very pleased that we're  
11 introducing a budget that recognizes a two percent increase,  
12 \$758,000 worth of that cost in the average -- that average  
13 home out there, wherever is, I know Commissioner Tucci and I  
14 always go back and forth trying to figure out what street  
15 it's actually on because we can't find that one house, but  
16 that \$316,000 home out there will -- instead of receiving a  
17 \$125 increase will receive at \$76 increase, almost a \$50  
18 reduction from where we were at our budget workshop a couple  
19 weeks ago.

20 So congratulations to each of my Commissioners for  
21 working together. I am the messenger because I'm the tax  
22 guy but it's a budget that's being presented by all of us.  
23 So I'm -- we're very proud to introduce our budget tonight.  
24  
25

1           So, with that being said, the municipal budget of  
2 the Township of Nutley, County of Essex, for the fiscal year  
3 2016,

4           BE IT RESOLVED that the following statements of  
5 revenue and appropriations shall constitute the budget for  
6 the year 2016.

7           BE IT FURTHER RESOLVED that said budget be  
8 published in The Nutley Sun in the issue of April 28th. The  
9 governing body of the Township of Nutley does hereby approve  
10 the following budget for the year 2016.

11           So move.

12           COMMISSIONER TUCCI:    Second.

13           MADAM CLERK:   Commissioner Rogers?

14           COMMISSIONER ROGERS:   Aye.

15           MADAM CLERK:   Commissioner Tucci?

16           COMMISSIONER TUCCI:   Aye.

17           MADAM CLERK:   Commissioner Evans?

18           COMMISSIONER EVANS:   Aye.

19           MADAM CLERK:   Commissioner Scarpelli?

20           COMMISSIONER SCARPELLI:  Aye.

21           MADAM CLERK:   Mayor Petracco?

22           MAYOR PETRACCO:   Just before I vote, I just wanted  
23 to make a statement.  Tom, thank you so much for all this  
24 preparation and I know you worked very diligently on it.

25           You know, going around town all the time, all of

1 our Commissioners, hear the same thing: taxes, taxes, taxes.  
2 They keep going up. They keep going up. And it's true.  
3 They have gone up.

4 But I just want to congratulate all my Board  
5 Members and it's not a congratulation and we're not  
6 celebrating up here because we always want to better. But,  
7 I have to tell you, with all the obstacles that were in our  
8 way when we first sat down with Commissioner Evans to kind  
9 of proofread this summary of what went on, especially with  
10 the Roche property leaving, I have to tell you, you really  
11 have five people that care up here because the situation  
12 could have been much, much worse.

13 So not that we're happy and ecstatic because no  
14 one is -- none of us want to see the taxes go up but with  
15 the crisis that was happening three years with LaRoche  
16 exiting, for us to be able to manage our cost and really  
17 tighten our belts and make sure we gave the residents of  
18 this Township the best end result we can is a tribute to our  
19 Commissioner Evans, who leads our revenue and finance, but  
20 to all our Commissioners.

21 So Commissioner Tucci, thank you for your efforts,  
22 what you do. Commissioner Rogers, a job well done.  
23 Commissioner Scarpelli, we appreciate what you do for the  
24 outcome of the -- of our Nutley residents here. So thank  
25 you so much and I -- I vote Aye. Thank you.

1           Okay, now, I believe -- and you know what? Before I  
2 continue Ro, as Ro Costa (ph), I think he's leaving here,  
3 getting up to exit --

4           (Laughter)

5           MAYOR PETRACCO: -- you know, one thing I do  
6 really want to do, Ro, is I really want to thank you, too,  
7 because, I have to tell you, people in my Department  
8 sometimes have some adjectives to put in front of your name  
9 at times.

10           ROSEMARY COSTA: None of which can be put on the  
11 record.

12           MAYOR PETRACCO: I think they're -- no. I think  
13 they're beautiful. She's smiling today. Things of that  
14 sort.

15           But, you know, what, Ro? I want to thank you, too,  
16 for the thankless job that you have there to reign everything  
17 in and, you know, to -- to watch the taxpayers' dollars as  
18 well as our CFO. You do a wonderful job and it's -- it's  
19 good to have people like you in the town. So thank you.

20           Okay. Now you may exit.

21           Commissioner Tucci, I think we'll move on to Resolutions.

22

23

24           COMMISSIONER TUCCI: Yes. Thank you, Mayor.

25           WHEREAS, sealed bids were received for tree

25 MADAM CLERK: Commissioner Evans?

1 COMMISSIONER EVANS: Aye.

2 MADAM CLERK: Commissioner Scarpelli?

3 COMMISSIONER SCARPELLI: Aye.

4 MADAM CLERK: Mayor Petracco?

5 MAYOR PETRACCO: Aye.

6 COMMISSIONER TUCCI: WHEREAS, in 1949 the  
7 legislature set aside the last Friday of April as Arbor Day  
8 to promote the planting of trees and to encourage the  
9 protection of our forests from fires and pests that destroy  
10 the beauty and usefulness of our woodlands; and

11 WHEREAS, half of New Jersey's total land area is  
12 forested or tree covered; and

13 WHEREAS, trees play an important role in the  
14 ecosystem in which we live and trees reduce the erosion of  
15 our precious topsoil caused by wind and water, clean the air

24 qualities along streets and property in municipalities; and

25 WHEREAS, tree planting in yards and farms, in

1 school yards and parks, and along streets and highways  
2 creates an endearing heritage for generations that follow;  
3 and

4 WHEREAS, the Township of Nutley has completed its  
5 29th year as a member of Tree City USA; and

6 WHEREAS, I, Commissioner Mauro Tucci, Director of  
7 Parks and Public Property of the Township of Nutley do hereby  
8 proclaim May 7, 2016 as Arbor Day in the community of Nutley  
9 and urge all citizens to support efforts to protect our trees  
10 and woodlands and to support our town's urban forestry  
11 program; and

12 Further, I urge all citizens to plant trees to  
13 gladden hearts and promote the well-being of present and  
14 future generations.

15 I move the Resolution.

16 COMMISSIONER EVANS: Second.

17 MADAM CLERK: Commissioner Rogers?

18 COMMISSIONER ROGERS: Aye.

19 MADAM CLERK: Commissioner Tucci?

20 COMMISSIONER TUCCI: Aye.

21 MADAM CLERK: Commissioner Evans?

22 COMMISSIONER EVANS: Aye.

23 Mauro, just a comment. Several of the people have  
24 residents have commented -- commented to me about the concern  
25 over our tree canopy and so when I see something like this

1 and the work that you've been doing with this program, and  
2 continuing to build it, you know, that's leading to not only  
3 the viability of our town, you know, in beautifying it, but  
4 it's also looking at it more from a sustaining value, too.  
5 Sustainability. (Inaudible) sustainability of our town. So  
6 I congratulate you on that.

7 And I also, when I go home tonight, I'm going to  
8 call my sister and let her know that you -- and I'm sure  
9 she'll be surprised that you picked her birthday (inaudible)  
10 so --

11 COMMISSIONER TUCCI: That's why we picked it.

12 COMMISSIONER EVANS: I'm sure she'll be very happy  
13 to see that. So I vote, aye.

14 COMMISSIONER TUCCI: Thank you, Commissioner.  
15 Thank you for all your support and all the other  
16 Commissioners and Mayor Petracco because here in -- in  
17 Nutley and when we read this it talks about farms, once upon  
18 a time when we first started reading this Resolution, and it  
19 was none of us here, we did, in fact, have farms in Nutley.

20 MAYOR PETRACCO: That's very true.

21 MADAM CLERK: Commissioner Scarpelli?

22 COMMISSIONER SCARPELLI: Aye.

23 MADAM CLERK: Mayor Petracco?

24 MAYOR PETRACCO: Again, Commissioner Tucci, a job  
25 well done. Since I'm a kid here, it's been a little

1 green ball and I know you have a big -- take a big part in  
2 that and that's what makes Nutley special to all of us.

3 Thank you.

4 COMMISSIONER TUCCI: Thank you, Mayor.

5 MAYOR PETRACCO: I vote Aye. Is that all you  
6 have?

7 COMMISSIONER TUCCI: That's all I have.

8 MAYOR PETRACCO: Okay. I'm just reviewing the  
9 rest of this agenda, council. If there's any Commissioners  
10 that would like to read these by -- the rest of the  
11 Resolutions by title, I'm okay with that because I see some  
12 of them are long. So I'll leave that up to the individual.

13 Commissioner Evans.

14 COMMISSIONER EVANS: Thank you, Mayor.

15 The first Resolution, counsel, if I can  
16 paraphrase. It's a Resolution to replace a duplicate tax  
17 sale certificate. A fee of \$100 will be assessed. A copy  
18 of the duplicate will be stated with the word -- indicated  
19 with the word "Duplicate) on it and its for block 8803, Lot

3 COMMISSIONER EVANS: Aye.

4 MADAM CLERK: Commissioner Scarpelli?

5 COMMISSIONER SCARPELLI: Aye.

6 MADAM CLERK: Mayor Petracco?

7 MAYOR PETRACCO: Aye.

8 COMMISSIONER EVANS: My next Resolution, pursuant  
9 to statute 54:4-3.30 is for Mr. Alexander Martinez who was

2 Resolution, is a contract for -- with environmental --  
3 Impact Environmental who is doing environmental testing on  
4 the properties known as the Davis Bike Shop as well as the  
5 Ciccolini property as we continue to do our investigative  
6 work and due diligence prior to those purchases.

7           The contract does not exceed \$17,500. The money is  
8 available for it in account 601226205 and that -- this

14 Thank you so much. That concludes are business  
15 portion of the meeting.

16 Is there anyone here this evening that would like  
17 to address the Board of Commissioners?

18 (Pause)

19 MS. QUIRK: Terry Quirk (ph), 45 Hampton Place,  
20 spokesperson for the Nutley Parent Advocacy Network.

21 I have a question, I guess, for Commissioner  
22 Scarpelli in regards to the Safe Routes to School. Can you  
23 please explain that? I'm --

24 COMMISSIONER SCARPELLI: Okay. This has been  
25 ongoing for two years. We received a grant from the

1 Department of Transportation through the United States  
2 Department of Transportation. So it's a Federal Grant  
3 administered by the State.

4 We've gone back and forth between the two  
5 bureaucracies for over two years and it's for safety  
6 measures at all of the elementary schools so there will be  
7 sidewalks at the back of Washington School that will be  
8 installed.

9 There will be crosswalks that will be enhanced at  
10 the Spring Garden. (Inaudible) Yantacaw and Lincoln and at  
11 Radcliffe school there will be enhancement to the traffic  
12 signal.

13 MS. QUIRK: Okay. So that includes these amounts,  
14 61,000, the 175,000, that includes all of those amounts for  
15 those areas?

16 COMMISSIONER SCARPELLI: Correct.

17 MS. QUICK: Does it include anything in regards to the  
18 lighted traffic signs that you have?

19 COMMISSIONER SCARPELLI: Yeah. We're going --we're  
20 going to light, not -- not everywhere, but we're going to  
21 light those crosswalks; yes.

22 Like similar to the ones that we have -- that  
23 Commissioner Petracco purchased and we installed at  
24 Washington School --

25 MS. QUIRK: Okay.

1           COMMISSIONER SCARPELLI:  -- and at McKinley Street  
2 and Washington Avenue.

3           MS. QUIRK:  Okay.  Anything for Lincoln around  
4 like Harrison and Crestwood?

5           COMMISSIONER SCARPELLI:  Right -- right now, not  
6 Crestwood.  But Harrison at the top of the -- of Spring  
7 Street.

8           MS. QUIRK:  Oh, okay.  Okay.

9           I have another question in regard to the  
10 Pedestrian Safety Education and Enforcement Fund.  I just  
11 want to know that we're -- we have \$16,000 or it was  
12 approved for \$16,000 and I just -- what does that include?  
13 I'm --

14           MAYOR PETRACCO:  Well, what we do with -- through  
15 the police department is we use that money just for  
16 crosswalk enforcement.  It's -- and things of that sort.  
17 What we do also, you so you're aware of it, is we partner up  
18 with the County and we have the County actually come in  
19 here.  And it's been one of the biggest complaints that I've  
20 received in the police department are these crosswalks, how  
21 no one stops.

22           We had a campaign last month that there was almost  
23 a hundred tickets issued in one week.  The problem is is  
24 that when --

25           (Laughter)

1           MAYOR PETRACCO: -- the problem is is that it  
2 seems that when the cops -- thank you, Eleni. It seems like  
3 that when the cops leave those areas, people go back to  
4 their own habits. So I urge -- and I've been beating this  
5 drum for the last eight years, I urge people to please slow  
6 down while driving through a town and please stop at these  
7 crosswalks.

8           I've instructed the cops from Chief Strumolo all  
9 the way down to the police officers. I don't care if it's  
10 someone I know, if it's my brother, my sons, whoever it  
11 might be. I want everybody issued tickets because it's  
12 getting out of hand in Nutley.

13           We had the incident on Center Street not too long  
14 ago. When -- when something like that happens, I take that  
15 very personal, being in charge of the Department of Public  
16 Safety. So, you know, that goes to a lot of enforcement  
17 which we are really, really ramping up.

18           I don't know if you've seen by Yanticaw School,  
19 we've put our speed signs. We did a lot of enforcement  
20 there. I was getting a lot of complaints from there and I  
21 have to tell you when we start issuing the tickets, guess  
22 who the people are getting the violations? The parents  
23 dropping off their kids. It's the people that live in those  
24 areas.

25           It's not outsiders coming through town, speeding

1 through, you know, our towns. And not just to pick on  
2 Passaic Avenue, but it's all of the Township of Nutley. So  
3 we really have to police ourselves because, you know, the  
4 safety of our -- of our treasures, our children, you know,  
5 are at stake here.

6 So I urge all the residents to please slow down.

7 MS. QUIRK: I've noticed in other towns, they have  
8 like rumble strips specifically around these school areas.  
9 Have you considered something like that?

10 MAYOR PETRACCO: I -- I know that Commissioner  
11 Evans probably could answer that. That goes to our traffic  
12 safety. Jack, but if you want me to (inaudible). Jack  
13 Barry has looked into those things. I've seen them in other  
14 towns.

15 A lot of the -- a lot of the answers that we  
16 received have to be approved by DOT and a lot of it -- a lot  
17 of our roadways don't meet that compliance. It's very  
18 frustrating to us that, you know, we, you know, we would  
19 like to put speed bumps on a million streets.

20 I can't tell you over the last eight years how  
21 many people have come, you know, to us and -- and we worked  
22 on it and it's very frustrating to us as well that there's  
23 certain streets that we just can't do anything about, you  
24 know, as far as the speed bumps or those rumble strips.

25 But, you know, we do -- do continue to fight that

1 battle.

2 MS. QUIRK: And I just have one more question in  
3 regards to Partners for Health Grant, the Pedestrian  
4 Education. We were -- it was approved \$6500. What -- what  
5 is that exactly?

6 MAYOR PETRACCO: Partners to Health Grant?

7 COMMISSIONER ROGERS: What we do is we have a  
8 program set up where -- where educating people on how to walk  
9 on the street or in the streets on the sidewalks. One big  
10 program that has been started as a result of that is the  
11 Yanticaw Walks.

12 And, hopefully, we're going to expand that to  
13 every school.

14 What we did was and what we continue to is parents  
15 will walk their children to school. And, I -- I got to tell  
16 you, I got an education one day. When we were walking with  
17 children to school, to Yanticaw School from Cambridge and, by  
18 the way, part of your grant helped pay for the crossing  
19 guard on Washington Avenue and we hope to have that  
20 permanent one day.

21 Here's something very interesting. There are some  
22 streets without sidewalks. So the children have to walk in  
23 the street. One thing I learned, that as we were walking in  
24 the street, people were backing out of their driveways not  
25 looking. And children, you know, they're not going to look

1 all over the place. So we're walking down some of these  
2 side streets and lo and behold, you know what? People  
3 aren't looking and, you know, there could have -- there  
4 could be a tragedy.

5 So that's part of the Partners for Health  
6 Education Program. Hopefully, we're going to be able to  
7 (inaudible) as time goes on.

8 MS. QUIRK: Okay. I just have one more question.  
9 I happen to have -- I happen to have to go to the high  
10 school a couple of times in one week and I had -- and both  
11 times I had to park across the street on Franklin and I had  
12 to cross the street at New Street and Franklin and I  
13 couldn't because people were just -- people were stopping on  
14 one side and they were just barreling through.

15 It happened -- it just so happened that there was  
16 a police officer parked right next to Carvel and he happened  
17 to witness some person just come right past the crosswalk  
18 while I was in it and he stopped him. But my concern is our  
19 kids do come out of that high school. They have these --  
20 these lunch hours where it's a little different. There  
21 might be four lunch periods. They go out and that  
22 particular crosswalk is really dangerous because nobody  
23 stops for that particular one.

24 I guess, they're speeding up --

25 MAYOR PETRACCO: Well -- well, I have to tell you

1 enforcement has been really uplifted and I don't know how  
2 much more I could do as far as enforcement but I keep saying  
3 this on the mic as far as that we have -- you know, I don't  
4 know how to teach people manners. I mean (inaudible) --  
5 incredible.

6 MS. QUIRK: (Inaudible) the culture --

7 MAYOR PETRACCO: And I've seen it --

8 MS. QUIRK: -- and I think we have to fight the --

9 MAYOR PETRACCO: -- I've seen it myself. I was in  
10 a police car just the other day and, I mean, right in front  
11 of a cop car, a guy --

12 MR. QUIRK: Uh-huh.

13 MAYOR PETRACCO: -- blows through there and we  
14 spin around, you know, and the officer got out of the car  
15 and issued him a summons. It's -- it's ridiculous that even  
16 in front of a police officer --

17 MS. QUIRK: Oh, yeah.

18 MAYOR PETRACCO: -- there's just no regard to it.  
19 So, you know, we -- we don't quit, Ter.

20 MS. QUIRK: No. I know.

21 MAYOR PETRACCO: We don't quit.

22 MS. QUICK: I know, Mr. Mayor.

23 MAYOR PETRACCO: We keep going and we keep -- you  
24 know, trying to get there where we, you know, we keep  
25 working it and working on it and working on education.

1 Working on enforcement and hopefully that we could, you  
2 know, we could be a town, and I've said this in front of the  
3 Board of Commissioners many times, I spend a lot of time in  
4 Morristown. It's unbelievable. Somebody steps off the  
5 curb, they slam on their brakes.

6 MS. QUIRK: Exactly.

7 MAYOR PETRACCO: It's incredible. And, you know,  
8 why can't we have that here in Nutley? So, one way or  
9 another, it's either going to be people are going to stop or  
10 people are going to get tickets.

11 And I have to tell you, it's not a cheap ticket  
12 and I'll say this on, you know, our municipal tv-land, if  
13 somebody gets a ticket and they're a friend of mine, for a  
14 pedestrian crosswalk, please don't call me because I am not  
15 willing to do one thing for you. That's how serious it is.

16 MS. QUIRK: I agree. Just -- just getting back to  
17 Commissioner Scarpelli. So we're going to be getting some  
18 lighted traffic signs, like the ones down in Washington?  
19 And where will they be again?

20 COMMISSIONER SCARPELLI: (Inaudible).

21 MS. QUIRK: Okay. All right. Thank you.

22 MAYOR PETRACCO: Hey, Ter, before you sit down, I  
23 just want to -- and I know we want -- we all want to get out  
24 of here tonight, I just want to thank you for the work that  
25 you do.

1 MS. QUIRK: Oh, thank you.

2 MAYOR PETRACCO: For ANPAN (ph). And, I have to  
3 tell you, I -- I really see -- I have a second grader in  
4 Spring Garden School that was having difficulty reading.  
5 The leaps and bounds that those people made for my son,  
6 these teachers that we have there, was second to none.

7 And I know that you had a lot to, you know, to do  
8 that in the past as an advocate but I have to tell you under  
9 Helen Marino (ph) and all -- you know, and I'm sorry I don't  
10 remember the girl's names that my son actually has, it's  
11 incredible how they have inspired my son to read.

12 So, again, a good shout out to the teachers.  
13 Unbelievable job that they're doing and thank you for all  
14 your hard work at ANPAN. We appreciate it.

15 MS. QUIRK: Thank you.

16 MAYOR PETRACCO: Is there anyone else this evening  
17 that would like to address the Board of Commissioners?

18 MS. RZEMPLICH: Blair Rzemlich (ph), 150 Ridge  
19 Road.

20 Commissioner Scarpelli, I know we were monitoring  
21 traffic on Ridge Road, I think sometime in early January or  
22 February. There were -- outside of my house there were --

23 MAYOR PETRACCO: Actually -- actually that would  
24 be Commissioner Evans, traffic safety, with Jack Barry.

25 MS. RZEMPLICH: Traffic safety. Commissioner

1 Evans, can you tell me any information? I literally had  
2 drag racers on Ridge Road two days after Christmas that were  
3 going about 90 miles an hour. So I just wonder what we do  
4 with the data that we collect and is there any way that we  
5 can have something where automatic tickets potentially get  
6 offered for people that are --

7 COMMISSIONER EVANS: Sure.

8 MS. RZEMPLICH: -- sitting on some of the roadways  
9 -- roads in town that have 25 mile an hour speed limits.

10 COMMISSIONER EVANS: The work that Jack Barry does  
11 is to monitor and study that. If there's anything that's  
12 needed from the State or things like that, he will go after.  
13 The data that he collects is supplied to the police  
14 department so that they can monitor those activities and  
15 then arrange whatever enforcement is required.

16 If there's something that needs to be there to  
17 create a more visual presence because of signage or things  
18 like that, Jack will investigate that.

19 That's basically what he does as it relates  
20 specifically to your question, I don't have an answer for you  
21 right now. But I will find out.

22 MS. RZEMPLICH: And I just wanted to say that I  
23 just came from the Yanticaw PTO meeting where, again, there  
24 are two schools that we know are already at probably four  
25 kindergarten classes entering in the 2016-2017 school year.

1           We also see across town building in the places  
2 that impact these two particular schools and we can fool  
3 ourselves into believing that one and two bedroom apartments  
4 are not impacting the enrollment in schools but I don't  
5 think that that's the case.

6           We're -- we're at capacity and I don't know what  
7 we're going to do. We're all starting to wonder what we're  
8 going to do and we're at least two years away from any  
9 building that could happen if the referendum passes.

10           So I would just encourage all of you to really  
11 start taking into account what our infrastructure is and I  
12 know we're working towards solutions but they may not be  
13 fast enough.

14           MAYOR PETRACCO: Thank you.

15           MAYOR PETRACCO: Is there anyone else this evening  
16 that would like to address the Board of Commissioners?

17           Good evening.

18           MS. MOLINARO: I'm Jamie Molinaro (ph) and, on  
19 behalf of --

20           MAYOR PETRACCO: We need your address.

21           MS. MOLINARO: Oh, sorry. 214 Stratford Drive.

22           MAYOR PETRACCO: Thank you so much.

23           MS. MOLINARO: I just wanted to say thank you to  
24 all of you for approving our speakeasy fundraiser on behalf  
25 of the Historic Restoration Trust which is going to be on

1 and we certainly hope to see all of you there. Thank you.

2 MAYOR PETRACCO: You waited all that time to  
3 invite us. That was very nice of you, Jamie.

4 MS. MOLINARO: Well, I hope you can make it.

5 MAYOR PETRACCO: We will -- being you sat through  
6 there, Sam, please put that on my calendar. If I'm re-  
7 elected, I'll be there.

8 (Laughter)

9 MS. MOLINARO: I told you. We work together here.  
10 Thank you.

11 MAYOR PETRACCO: Thank you. Ms. Greengrove (ph),  
12 too.

13 Okay. Is there anyone else that would like to  
14 address the Board of Commissioners?

15 MS. LANDRY: Pennie Landry, 135 Lakeside Drive.

16 First of all, I'd like to say thank you for your  
17 four years of service and I wish each of you good luck in  
18 the coming election. I've spent a lot of time with you in  
19 the past four years so I just wanted to say thank you and  
20 good luck.

21 I'm also up here to make a third request so maybe  
22 -- maybe this time.

23 Mayor, as I understand it, part of your job as  
24 Mayor is to oversee the meetings. Our meeting notices say  
25 that the meeting starts at seven o'clock. That meeting

1 starts in the back room. The official meeting starts at  
2 seven and yet the minutes begin once the meeting comes out  
3 here, which, I think, is a -- against the Open Public  
4 Meetings Act and I am looking into that because the minutes  
5 need to start at the time that is advertised as the start of  
6 the meeting which is seven o'clock.

7 I missed the last meeting and read the minutes  
8 from a couple meeting --

9 MAYOR PETRACCO: Counsel, what's the answer to  
10 that question. That's actually a pretty good question.  
11 Counsel?

12 ALAN GENITEMPO: (Inaudible).

13 MAYOR PETRACCO: Thank you.

14 ALAN GENITEMPO: You're not in violation of  
15 the rules (inaudible) why we changed the notice.

16 MS. LANDRY: The notice said seven p.m.

17 ALAN GENITEMPO: (Inaudible) conference  
18 meeting. We're not (inaudible).

19 MS. LANDRY: Okay. All right.

20 Well, I'm making the request because two weeks ago  
21 there was a presentation which I'm sure the citizens who  
22 were unable to come would have loved to have seen which is  
23 about the new parking meters.

24 Unfortunately, it was not recorded so only the  
25 Commissioners got to see the parking meter presentation and

1 not the citizens.

2 MAYOR PETRACCO: You know what? I actually --  
3 actually that -- I think that's a good point that you raise  
4 and I think that --

5 MS. LANDRY: Well, I've raised it for two years.

6 MAYOR PETRACCO: Yeah.

7 MS. LANDRY: And nothing's happened.

8 MAYOR PETRACCO: Okay.

9 MS. LANDRY: So --

10 MAYOR PETRACCO: Well, you know what? I remember  
11 in the parking -- that was which one? The parking meter.

12 MS. LANDRY: Right. And then tonight --

13 MAYOR PETRACCO: And -- and -- and I -- I have to  
14 tell you, I think that was a great presentation so I think  
15 that we should have a talk about that -- about -- through  
16 the Commissioners.

17 MS. LANDRY: Well, wait. This is my -- this is --

18 COMMISSIONER SCARPELLI: Sometimes it, you know, in  
19 here, without the audio visual equipment that is necessary,  
20 it's very difficult to do a presentation here.

21 MS. LANDRY: Wait. I have -- it's -- it's not  
22 difficult, excuse me, because there have been many  
23 presentations, including the Roche presentation here. And I  
24 would also like to thank whoever is responsible for fixing  
25 the mics because they appear to be working for the first

1 time in a long time.

2 MAYOR PETRACCO: That would be Commissioner Tucci,  
3 I think.

4 MS. LANDRY: Thank you, Commissioner Tucci. Much  
5 appreciated.

6 It is not difficult because many presentations

7 COMMISSIONER SCARPELLI: We'll -- we'll disagree  
8 that. on

9 MS. LANDRY: Okay. All right.  
10 It's very simple. The Planning Board has them even those  
11 aren't recorded.

12 So there were two presentations for things that  
13 would have been beneficial for the citizens to see. One  
14 tonight on your REMYNDER APP and the other on the parking  
15 meters.

16 So all I'm asking, for the third or fourth time,  
17 Mayor, is that the presentations that would be beneficial to  
18 the citizens, the taxpaying citizens, for programs that  
19 you're introducing and bringing to us, that those  
20 presentations are done so that they can be recorded --

21 MAYOR PETRACCO: I -- I -- I --

22 MS. LANDRY: -- they can be included in the  
23 minutes --

24 MAYOR PETRACCO: -- I understand. I understand.

25 MS. LANDRY: -- and --

1           MAYOR PETRACCO: Let me just speak. I understand  
2 your request.

3           MS. LANDRY: The third one.

4           MAYOR PETRACCO: Third one. I think I understand  
5 it fully this time.

6           MS. LANDRY: Thank you.

7           MAYOR PETRACCO: And I think that I want to look  
8 into what we have to do to bring those presentations out  
9 there because, myself, and I won't speak for the Board,  
10 don't necessarily disagree with you that they're good  
11 presentations. Why not let the public see them? So I -- I  
12 will -- I will look into that.

13           What's your next question, Ms. Landry?

14           MS. LANDRY: Thank you.

15           Fourth request, I spoke with an economic  
16 development advisory committee member this week and they  
17 said that there was a meeting a couple of weeks ago. So I'm  
18 making my fourth request for the taxpaying citizens and the  
19 business owners of Nutley that the economic development  
20 advisory committee meetings of the Township of Nutley be  
21 open to the public for -- not participation, just for  
22 information to be able to sit in to our economic development  
23 advisory committee meetings and that the minutes of these  
24 meetings, as Commissioner Evans said, by law he is not  
25 required to have minutes but he provides them as a courtesy

1 to the committee members.

2 Well, I would like the Township, as a courtesy to  
3 the taxpayers of Nutley and to the business owners of Nutley  
4 to make those minutes available on the Township website  
5 without them having to be OPRA'D.

6 MAYOR PETRACCO: Thank you.

7 MS. LANDRY: That's the second request.

8 MAYOR PETRACCO: Thank you.

9 MS. LANDRY: And a final note that while there is  
10 only a \$76 per household \$315,000 value, there is still a  
11 tax increase this year. For how many years in a row have  
12 the taxes increased? Does anyone know? Commissioner Evans?

13 COMMISSIONER EVANS: Pretty much every year.

14 MS. LANDRY: Every year we've had a tax increase  
15 for how many years?

16 COMMISSIONER EVANS: Thirteen that I know of.

17 MS. LANDRY: Thirteen years. So for thirteen  
18 years in a row, the citizens of Nutley, every year, have had  
19 a tax increase. It's time for us to figure out how to stop  
20 having property tax increases in Nutley. Thank you.

21 MAYOR PETRACCO: Thank you for coming, Ms. Landry.

22 Is there anyone else this evening that would like  
23 to address the Board of Commissioners?

24 COMMISSIONER ROGERS: Mayor, I have one  
25 clarification.

1           MAYOR PETRACCO: Yes.

2           COMMISSIONER SCARPELLI: Ms. Quirk, I want to  
3 clarify something. The grant, the Partners in Health Grant  
4 for 2014 was used for Yanticaw Walks. This particular grant  
5 was used for the pace car program that we put together.

6           I wanted to make sure you got the right info.  
7 Thank you.

8           MAYOR PETRACCO: Thank you, Commissioner.  
9 We need a motion to adjourn.

10          COMMISSIONER SCARPELLI: Move to adjourn.

11          MAYOR PETRACCO: Second.

12          MADAM CLERK: Commissioner Rogers?

13          COMMISSIONER ROGERS: Aye.

14          MADAM CLERK: Commissioner Tucci?

15          COMMISSIONER TUCCI: Aye.

16          MADAM CLERK: Commissioner Evans?

17          COMMISSIONER EVANS: Aye.

18          MADAM CLERK: Commissioner Scarpelli?

19          COMMISSIONER SCARPELLI: Aye.

20          MADAM CLERK: Mayor Petracco?

21          MAYOR PETRACCO: Aye. Thank you for coming.

22          MADAM CLERK: And the time is now 9:05.

23                 (Whereupon, the meeting was adjourned.)
