

Township of Nutley Water Department

1 Kennedy Drive
Nutley, New Jersey 07110

WATER RATES

Effective January 1, 2019

The rates to be charged to consumers for water established by the Township of Nutley Board of Commissioners effective January 1, 2019 via Ord. 3399 is as follows:

WATER CONSUMPTION

- \$20.24 minimum charge per billing period for any part of the first 500 cubic feet (ft³).
- \$40.48 per 1,000 cubic feet (ft³) per billing period.

MONTHLY MAINTENANCE FEE

A monthly maintenance fee shall be levied according to the schedule set forth below.

As consideration for levying of such maintenance fee, the Township will assume full cost for the maintenance and repair of the water supply line from the water main to and including curb stop and the water meter without any additional cost to the consumer for maintenance and repair.

Maintenance fee for private supply lines and fire lines shall only apply to the water meter and not the repair of the private mains, supply or fire lines.

Monthly Maintenance Fee Schedule Effective January 1, 2019

Meter Size	Monthly Maintenance Fee	Private Mains/Supply/Fire Meter Only
5/8"	\$3.00	\$1.80
3/4"	\$4.80	\$3.00
1"	\$6.00	\$3.60
1 1/2"	\$12.00	\$7.20
2"	\$18.00	\$10.80
3"	\$21.00	\$12.60
4"	\$45.00	\$27.00
6"	\$60.00	\$36.00

READING AND BILLING PERIODS / INTEREST ON UNPAID BILLS

- All water meters shall be read and bills for water service shall be rendered for periods of approximately 3 months. Monthly readings and billings shall be in effect for users having large consumption of water.
- The Township will not extend any bill adjustments for excess water use resulting from non-water meter incidents such as:
 - Leaking toilets and faucet
 - Leaking water softener systems
 - Leaking outside yard faucet
 - Excessive or leaking irrigation systems
 - Leaking hot water heater
 - Faulty humidifier on furnace
- All unpaid bills shall draw an interest at the rate of 8% per annum after 30 days.
