Dear Commissioner Scarpelli:

Department of Public Works progress of work in the Road/Recycling Division for the month of **June 2010** is as follows:

All Public works equipment was serviced and repaired by our Mechanics.

We picked up recycling throughout the township, consisting of plastic, paper, aluminum, mixed glass and clear glass and brought it back to the garage where it is separated and put into bins.

Once recyclables are loaded, they are put into large carting containers and brought to various places, such as:

Newspaper to Galaxy Recycling, Jersey City, NJ

Co-Mingled to Galaxy Recycling, Jersey City, NJ

This occurs several times a week.

Potholes around the township were filled in with hot asphalt. Also, large patches of asphalt were laid down, where needed.

Reflectors are placed on all dead end barricades throughout the township.

Dead end barricades were painted throughout the township.

On days and nights of very heavy rain, we work with the police Department on flooded streets so we may maintain all catch basins, clearing them of debris to prevent flooding of streets. This procedure is done all winter with the Police and during snow season also.

We assist the Police in vehicular accidents, cleaning up debris left by the accidents.

We try to assist the departments when we have the manpower. We pick up loose leaves and leaves in bio-bags, when required, all around the township, with the help from the Water

Department and the Parks Department. Commissioner Joseph P. Scarpelli--Page 2

The Road Department also carts several containers of debris to Bergen County Utilities Authority, North Arlington, NJ for the Clean Communities Department and the Parks Department.

MONTHLY STANDARD PROCEDURES are as follows:

Newspaper is brought to Jersey City, NJ several times a week.

We empty litter baskets, every Monday and Friday located in all the parking lots, well area, town hall area and garages.

On Mondays and Fridays, we also send out our sweepers to clean around the Town Hall, Public Safety Building and Parking Lots.

We maintain the appearance of parking lots by picking up loose leaves and debris. Our sweepers are sent out every day to various areas in town to keep our streets as clean as possible. This also starts early in the morning.

We pick up all salt barrels.
