

TOWNSHIP OF NUTLEY

2018 TRASH REMOVAL SERVICE CHANGES

Please be advised that as of JANUARY 1, 2018 significant changes will take effect regarding Bulk, White Goods and Construction Material removal within the Township of Nutley

As per Ordinance #2417 Chapter 614-12 – Waste building materials and rubble resulting from construction, remodeling, repair and demolition operations on residential or commercial buildings, pavements or other structures will **absolutely not be removed by the Township.**

- Permitted contractors must remove and dispose of all construction debris.
- It is the responsibility of the homeowner to dispose of debris resulting from work performed by homeowners/residents.

Please visit www.nutleynj.org/publicaffairs for complete information regarding Trash Removal Services

**All Bulk and White Goods items MUST be placed at the curb
Tuesday evenings for WEDNESDAY ONLY pick up**

**Please call the Public Affairs office at 973-284-4976 by
2pm Tuesday afternoons to schedule pick up**

Items such as furniture, mattresses, box springs, rugs (must be cut, rolled and tied in 4 foot lengths) and small household items will be picked up. Average quantities are anticipated to be **five (5) large items per collection day**. Large items are the size of a living room couch and handled by no more than two persons.

Vegetative waste will continue to be collected on Wednesdays, from April through December

As per Ord. 2417, Chapter 614-23 Violations and penalties: Any person, firm, corporation or entity found guilty of violating any section of this article shall, upon conviction thereof, be fined not less than \$100 nor more than \$1,000 for each violation of this article. Each day that such violation(s) shall continue shall be considered a separate violation.
