

Memorial Tree Grove Program

East Windsor Township offers Township residents and groups a unique opportunity to provide a living memorial to a deceased relative or friend or in remembrance or commemoration of a special person, group or event, by the planting of a tree in the name of that person, group or event.

An area in front of the Municipal Building (off Lanning Boulevard) has been designated for the planting of memorial trees. A granite marker with the information provided will accompany each tree.

To order a tree, please fill out the order form on the opposite page and send it to the Township Public Works Department. The cost for planting of a tree and installation of a memorial granite marker is \$500.

Memorial trees will be planted during a planting season, either Spring or Fall.

If you have any questions about this program, contact the Department of Public Works at (609) 443-4000, ext. 215
