Dear Friends,

**NO TAX INCREASE** again in 2018 East Windsor Municipal Budget, results in the same municipal tax rate for six consecutive years – 2013 through 2018, of 43 cents per $100 of assessed valuation. The municipal component remains at less than 15% of the total local property tax bill. The fiscally conservative budget will continue a high quality level of services for residents.

Mayor and Council continue to push forward on improvements to realign the Route 130/Hankins Road/Conover Road area, so that these roads meet at a single point controlled by a traffic signal, and allow for all left-turn movements. The project, long advocated by East Windsor elected officials, will enhance safety and facilitate vehicle flow in this area of Route 130. Fully engineered plans are completed and finally approved by the NJ Department of Transportation. The Township will proceed to bid the project, being funded with a NJDOT $525,000 grant and developer contributed funds.

The Township has awarded a contract for roadway improvements to **Probasco Road**, as well as a contract for improvements to **Maple Stream Road** between Brooktree Road and Oak Creek Road, and **Heathwood Drive** between Maple Stream Road and Dutch Neck Road to the low bidders. Probasco Road, funded by a $260,000 NJDOT grant, is anticipated to begin in late May, and the other roadway improvements over the summer.

**Subzi Mandi Farmers Market**, a grocery store specializing in Indian dry goods, frozen food and fresh produce, opened in the newly constructed Shoppes at East Windsor on Route 130 South. Subzi Mandi will join other tenants including Sherwin Williams and T-Mobile with Five Guys coming soon.

East Windsor and Hightstown Mayors co-hosted **Better Beginnings "Shining Star" Gala**, a charity fundraiser for Better Beginnings, a local child care development center providing quality affordable programs to area children. The 2018 "Shining Star" honorees recognized for their community contributions were: Earl Groendyke, Lifetime Achievement Award; Gail Halpen Zelenak, Individual Award; East Windsor PBA #191, Organization Award; Dr. Joseph Caruso, Hightstown Family Dentistry, Business Award, and Greater Hightstown Juniorettes, Youth Group Award.

Arbor Day Foundation named **East Windsor Tree City USA** community for 2017 for the 18th year for the Township's commitment to community forestry.

The World Changed, So Did the Music

Friday, June 29
1:00 pm - 2:00 pm

Did Prohibition change the music of the 1920s? And did the Cold War impact the music of the 1950s? Yes, music—concert and popular—was influenced by the technological and political changes. From the late 1800s to today, the times have shaped what and how American hear and experience, including opera, concert works, musicals, jazz, country and folk music, and rock and roll. In this session, participants can tune into a discussion about the sounds, aesthetics, and auras of each decade in the modern era.

Presenter
