

KINNELON RECREATION FOOTBALL LIAISON

The Recreation Committee reserves the right to appoint a liaison for oversight of the Kinnelon Football Program. The liaison will meet regularly with the Recreation Director to discuss at a minimum:

Football Equipment and Supplies

Assistant Coaching Appointments

Recommendations for Head Coaching Vacancies

Field Maintenance Concerns

Violation of Coaching Code of Conduct

Violation of Parents Code of Conduct

However, the Recreation Committee is the body established by the Mayor and Council of the Borough of Kinnelon with delegated responsibilities concerning all recreation programs. Therefore, the Recreation Director will discuss all matters concerning the football program with the Recreation Committee at monthly meetings including all matters requiring a vote or approval. The Recreation Committee will respectfully consider any and all recommendations that the approved liaison presents regarding the football program including the appointment of head coaches as approvals will not be unreasonably withheld.
