MAYOR'S REPORT:

Mayor Collins acknowledged the Planning Board Committee on the Master Plan Review. The committee was chaired by William Yago. The committee did a remarkable job with some of the issues we are dealing with and major changes as we move forward. Some of them are a community center, expansion of our sports fields and rail service. May 7th the public will have an opportunity for their input.

Mayor Collins stated that he received a letter from the Department of Transportation. This letter stated that we were selected to receive funding from the New Jersey Department of Transportation for the year 2015 municipal aid program for Kakeout Road in the amount of $160,000.00. Darmofalski Engineering Associates submitted the application for the Borough.

The Morris County Municipal Utility Authorities will hold a household hazardous waste and computer- television drop off event on May 30, 2015. We will place this information on the Borough website for our residents. Mayor Collins mentioned that our tax revaluation is moving forward and the state has approved our contract.

Mayor Collins spoke on the Memorial Day Parade, former Mayor Sisco will be the Grand Marshall and Kinnelon will be hosting the parade this year. He asked that everyone come and join us.

Mayor Collins stated that we will be introducing the 2015 Budget, it is one of the most import things that we do as a governing body. You will be able to review the budget online. We also have under consideration a resolution that will authorize the mayor to sign a agreement with Riverdale to sell excess sewer capacity. Kinnelon has 250,000 gallons with the Pequannock Basin River Sewer Authority, we use on average about 63,000 gallons a day. We have deemed as a governing body that we will sell 45,500 gallons to the Borough of Riverdale at a cost of $23.00 per gallon. This will add revenue to the borough of $1,046,500 that will be incorporated into our budget. This was a collaborative effort between Riverdale, Bloomingdale and Kinnelon to help one and other.

RECREATION

Chairman James Freda stated that Boonton Ave Field #2 will be completed by opening day. A new custom equipment shed was installed at the KRP Facility. It will house additional equipment needed for the growing baseball teams in town. The Softball Scoreboard has been installed. We are still working on getting electric to the scoreboard.

Participation has increased in all areas of registration including tennis which has sold out. Summer Discovery Camp applications have been arriving. Deadline for submission is April 30, 2015. Registration for the camp will open up within the last few weeks.

PUBLIC WORKS & UTILITY

Chairman Daniel O'Dougherty spoke on the closing of the DPW Garage. There is a lot of concern as to when it will be closing. The DPW garage will be closed May 5th through the end of September. You will be able to bring your leaves, brush and grass clipping to the RER Supply, located at 1 Riverdale Road in Riverdale, there is no charge. Metal items, call the DPW secretary and she will set up a time that it will be pickup at your home.

Councilman O'Dougherty also stated that the Boy Scout that was putting up the bat houses around the municipal field received assistance in helping place them on the trees from the DPW.

PUBLIC SAFETY& TECHNOLOGY

Chairman Adam Barish spoke on the continuation of the Underage Drinking Ordinance, which will have the 1st reading tonight. This ordinance has been used about 20 times.

On the Kinnelon Volunteer Fire Company, there were 19 incidents for March, just a reminder this is the beginning of brush fire season. The Kinnelon Fire Company have also seen an increase in Natural Gas Alarms. Councilman Barish stated that the Kinnelon Volunteer Fire Company and Tri-Boro needed volunteers.

On Technology, Councilman Barish stated that the borough phones may need an additional piece of network equipment due to the fact that Kinnelon Police Department cannot share any network connections with the Borough or the Library. Progress on the website has been shared with the governing body. And last week the Planning Board reviewed the draft form of the Master Plan. This should be ready for next month's public introduction on May 7th.

FINANCE

Chairman Stephen Cobell spoke on the 2015 budget and that we will introduced it tonight. He stated that since we have not had a CFO for the last three months, that this made it a bit of a challange. Our acting CFO Jennifer Stillman has done a great job, along with the help of our auditor. This year's budget will include the amount to be raised by taxes of $8,916,000. The amount that is allowed under the cap regulation is $8,994,000. We are below the cap by $79,000.

In summary he feels that the budget, overall, reached the objective of maintaining the services that we provide for the borough. On the upcoming bond sale, he reported that our auditor, acting CFO and I were interviewed by an annalist from Moody Investor Service, and they stated that our financial position has improved.

COORDINATING & OPEN SPACE

Chairwoman Carol Sventy stated that there was nothing to report at this time for the Board of Adjustment. The Board of Health will be meeting on April 22, 2015 and said that they will have their Poison Prevention Awards Ceremony on May 13, 2015. The Library Board of Trustees will have an Earth Day Festival on April 25th from 10am to 2pm at the Kinnelon Public Library.

The Historical Commission, L'Ecole will hold their annual Garage Sale on June 6th, and the Pathways of History Tour will be on October 10th and 11th. The Environmental Commission welcomed the two new members and discussed their goals for 2015. Finally the Open Space Advisory Committee had nothing to report at this time.

PERSONNEL & ORDINANCE

Chairman Clifford Giantonio stated that we are still negotiating the personnel contract agreement. Next week we will be meeting. The Tree Ordinance Committee met with Cheryl Canale and Robert Dyer, and had a very productive meeting. The sign ordinance is in the hands of the Planning Board Sign Committee for review and he is waiting for the draft. The Recreation Code of Conduct is on the agenda tonight to be introduced.

HEARING FROM THE PUBLIC

Mayor Collins asked if anyone from the public wished to be heard, to please step forward.

Jeffrey Kalajian, 6 Heather Terrace, Mr. Kalajian thanked the Mayor and Council for the fine job they are doing. Kinnelon has been a great place to live and hope it will continue to be. He thanked Councilman Dan O'Dougherty for the fantastic job the DPW did this past winter. Mr. Kalajian appreciated the Boy Scouts for being here this evening, once being a Boy Scout leader for 10 years, it was great to see them. Jeffrey stated that his main reason for being here was to express their concern of the closing of the recycling center. We are frequent visitors of the recycle center and bring our grass clippings, branches and etc. from our property. Mr. Kalajian asked what options were considered for a drop off center.

Councilman O'Dougherty stated that this is our current provider where we currently dispose of our leaves and brush containers and that this is the only option that we have.

Mason Ford, 19 Trail West. Mason Ford stated that we are not going to have discussion that we should and will take it in another direction. I have lived here for over 50 years and it is a good place to raise children. Mr. Ford also spoke on the Fayson Lakes Water Company and the problems there are.

Randy Charles, 69 Green Hill Road. Mr. Charles spoke on turf and gave updates on Bills that are being passed for studies on synthetic turf.

Camille Gains, 39 Wilshire Terrace. Ms. Gains spoke on the animal shelter and asked what was being done to repair the shelter. She has found out that nothing is going to done while the DPW is being renovated. This shelter is run by volunteers and needs a face lift. These animals are dropped off here at the shelter when no one wants them anymore or are when they are moving and cannot take them with them.

Councilman Dan O'Dougherty stated that he did not state that we would not consider any renovation to the animal shelter. The shelter is not part of any plans for the DPW. But it is under consideration and with some of the renovation that the town is doing, we have talked and meet with Cheryl Canale and we have certain things that we are going to meet for the safety of the animals.

Jack Glazer, 68 Green Hill Road. Mr. Glazer spoke on the animal shelter and when can we expect a decision on the animal shelter. Councilman O'Dougherty stated that it would be during the construction of the DPW, and that the animal shelter is invited to every meeting that we have for the DPW renovation. Mr. Glazer also spoke on the turf field and that we need safety for our children. Mr. Glazer gave an example of the tire crumb rubber that is used on the turf field to the Mayor and Council and stated that it takes 40,000 tires for one field.

Mayor Collins asked if anyone else from the public wishes to be heard, hearing none Mayor Collins closed this portion of the meeting to the public.

PAYMENT OF BILLS AS SUBMITTED BY THE TREASURER

A motion was offered by Councilman A. Barish and seconded by Councilman S. Cobell for the payment of bills dated April 16, 2015.

Kinnelon, NJ 07405

Attn.: Ms. Kathy Luisie

Dear Ms. Luisie:

RE: Dam Road

It has been brought to our attention that vehicles are parking in front of the gate presently located at the end of Dam Road. This access is needed for emergency vehicles, to access the far side of the lake when the other road(s) are inaccessible.

Based on Kinnelon code "Article III Fire Zones", the Fire Prevention Bureau is authorized to establish the necessary fire lanes. Based on this we are looking to establish "fire lane" on both sides of Dam Road.

We will be approaching the council to get the necessary resolution established to get this area designated as a "fire lane".

In addition we would need to have key(s) to gain the necessary access to the locked gate. Fayson Lakes would be required to the maintain access and keep this area free of any and all obstructions including snow and ice.

Should you have any questions please feel free to contact our office.

Thank you for your time and cooperation in this matter.

Yours truly,

Robert Westdyk, IAAI-FIT

2015
CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET - A plan for all capital expenditures for the current fiscal year.
If no Capital Budget is included, check the reason why:

☐ Total Capital expenditures this year do not exceed $25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.

☐ No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM - A multi-year list of planned capital projects, including the current year.
Check appropriate box for number of years covered, including current year:

3 years. (Population under 10,000)

x 6 years. (Over 10,000 and all county governments)

☐ ____ years. (Exceeding minimum time period)

☐ Check if municipality is under 10,000, has not expended more than $25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The enclosed Capital Improvement Program is a plan that can be modified as Kinnelon requirements change. It contains those expenditures that must be made or planned for at this time.
