CITY OF DOVER
POSITION DESCRIPTION

TITLE: ACCOUNT CLERK I

FLSA: Non-Exempt

GENERAL DESCRIPTION

The essential function of the position within the organization is to provide routine accounting support for the assigned area. The position is responsible for accounting tasks of responsibility. The position works under general supervision according to some procedures; decides how and when to complete tasks.

PRIMARY DUTIES: *This list represents the essential tasks performed by the position. Employees may be assigned additional duties by management as required.*

Performs accounting tasks such as making journal entries, preparing routine financial forms, or processing accounts receivable.

Processes invoices for stock and non-stock materials, including checking pricing, quantities, and values.

Performs accounts payable functions, including keying bills, editing bills, printing and distributing checks, and filing vouchers.

Assists with processing of time sheets for payroll and documenting of employee sick and vacation leave.

Performs routine office tasks such as typing, processing departmental mail, handling petty cash, data entry, filing, answering the telephone, faxing, or photocopying.

Gathers and maintains information/data to prepare routine reports.

DATA RESPONSIBILITY: *Data refers to information, knowledge, and conceptions obtained by observation, investigation, interpretation, visualization, and mental creation. Data are intangible and include numbers, words, symbols, ideas, concepts, and oral verbalizations.*

Computes or performs arithmetic operations.

PEOPLE RESPONSIBILITY: *People refers to individuals who have contact with or are influenced by the position.*

Speaks with or signals to people to convey or exchange information.

INVOLVEMENT WITH THINGS: *Things refers to inanimate objects such as substances, materials, machines, tools, equipment, work aids, or products. A thing is tangible and has shape, form, and other physical characteristics.*

Handles machines, tools, equipment, or work aids involving moderate latitude for judgment regarding attainment of standard or in selecting appropriate items, such as computers utilizing custom or commercial financial or accounting software.

ASSETS RESPONSIBILITY: *Assets responsibility refers to the responsibility for achieving economies or preventing loss within the organization.*

Requires responsibility and opportunity for achieving moderate economies and/or preventing moderate losses through the handling of supplies of high value or moderate amounts of money.

SAFETY OF OTHERS: *Safety of others refers to the responsibility for other people's safety, either inherent in the job or to assure the safety of the general public.*

Requires no responsibility for the safety and health of others.

MATHEMATICAL REQUIREMENTS: *Mathematics deals with quantities, magnitudes, and forms and their relationships and attributes by the use of numbers and symbols.*

Uses addition, subtraction, multiplication, and division; may compute ratios, rates, and percents.

COMMUNICATIONS REQUIREMENTS: *Communications involves the ability to read, write, and speak.*

Reads routine sentences or instructions; writes routine sentences and completes routine work forms; speaks routine sentences using standard grammar.

COMPLEXITY OF WORK: *Complexity of work addresses the analysis, initiative, ingenuity, creativity, and concentration required by the position and the presence of any unusual pressures.*

Performs skilled work involving rules/systems with almost constant problem solving; requires normal attention with short periods of concentration for accurate results and occasional exposure to unusual pressure.

IMPACT OF DECISIONS: *Impact of decisions refers to consequences such as damage to property, loss of data or property, exposure of the organization to legal liability, or injury or death to individuals.*

Makes decisions with moderate impact - affects those in work unit.

EDUCATION AND EXPERIENCE REQUIREMENTS

EDUCATION REQUIREMENTS: *Education requirements refers to job specific training and education required for entry into the position.*

Requires associate's degree or equivalent of two years of college or technical school education in accounting or bookkeeping.

LICENSES, CERTIFICATIONS, AND REGISTRATIONS REQUIRED: *Licenses, certifications, and registrations refers to professional, state, or federal licenses, certifications, or registrations required to enter the position.*

Requires none

EXPERIENCE REQUIREMENTS: *Experience refers to the amount of work experience that is required for entry into the position that would result in reasonable expectation that the person can perform the tasks required by the position.*

Requires six months of accounting or bookkeeping experience.

AMERICANS WITH DISABILITIES REQUIREMENTS

PHYSICAL DEMANDS: *Physical demands refers to the requirements for physical exertion and coordination of limb and body movement.*

Requires sedentary work involving standing or walking for brief periods, exerting up to 10 pounds of force on a regular basis, and moderate dexterity in operating office equipment.

UNAVOIDABLE HAZARDS: *Unavoidable hazards refers to unusual conditions in the work environment that may cause illness or injury.*

The position is exposed to no unusual environmental hazards.

SENSORY (ADA) REQUIREMENTS: *Sensory requirements refers to hearing, sight, touch, taste, and smell necessary to perform the tasks required by the position efficiently.*

The position requires normal visual acuity and field of vision, hearing, and speaking.

AMERICANS WITH DISABILITIES ACT COMPLIANCE

The City of Dover is an Equal Opportunity Employer. ADA requires the City to provide adequate accommodations to qualified persons with disabilities. Prospective and current employees are encouraged to discuss ADA accommodations with management.

**CITY OF DOVER
POSITION DESCRIPTION**

TITLE: ACCOUNT CLERK II

FLSA: Non-Exempt

The position is responsible for monitoring computer jobs, resolving problems, preparing reports, scheduling operations, performing back up, software upgrades, and assisting computer users. The position works under general supervision independently developing work methods and sequences.

PRIMARY DUTIES: *This list represents the essential tasks performed by the position. Employees may be assigned additional duties by management as required.*

Monitors activity of reports, bills, special assessments, payroll, taxes, and other jobs in the computer system for abnormalities.

Monitors configured printers and assists users with printing problems; assists with resolution of other computer-related issues, questions, and problems as required.

Maintains security at both hardware and software levels.

Schedules/conducts upgrades to software; coordinates with Programmer Analyst in scheduling/conducting any major vendor version changes.

Performs back up of all critical records and information in accordance with operating procedures; maintains back up systems and equipment.

Prints and distributes computer output to appropriate departments.

Checks/changes dates in computer system in preparation for running of monthly reports.

Maintains inventory of forms, computer paper, and related supplies.

Gathers and maintains information/data to support periodic and special reports for the area of responsibility.

DATA RESPONSIBILITY: *Data refers to information, knowledge, and conceptions obtained by observation, investigation, interpretation, visualization, and mental creation. Data are intangible and include numbers, words, symbols, ideas, concepts, and oral verbalizations.*

Collects, classifies, and formats data or information.

PEOPLE RESPONSIBILITY: *People refers to individuals who have contact with or are influenced by the position.*

Provides assistance to people to achieve task completion; may instruct or assign duties to coworkers.

INVOLVEMENT WITH THINGS: *Things refers to inanimate objects such as substances, materials, machines, tools, equipment, work aids, or products. A thing is tangible and has shape, form, and other physical characteristics.*

Handles machines, tools, equipment, or work aids involving moderate latitude for judgment regarding attainment of standard or in selecting appropriate items, such as computers, peripherals, and software programs such as word processing, spreadsheets, or custom applications.

ASSETS RESPONSIBILITY: *Assets responsibility refers to the responsibility for achieving economies or preventing loss within the organization.*

Requires responsibility and opportunity for achieving moderate economies and/or preventing moderate losses through the handling of high value equipment.

SAFETY OF OTHERS: *Safety of others refers to the responsibility for other people's safety, either inherent in the job or to assure the safety of the general public.*

Requires some responsibility for safety and health of others and/or for occasional enforcement of the standards of public safety or health.

MATHEMATICAL REQUIREMENTS: *Mathematics deals with quantities, magnitudes, and forms and their relationships and attributes by the use of numbers and symbols.*

Uses addition, subtraction, multiplication, and division; may compute ratios, rates, and percents.

COMMUNICATIONS REQUIREMENTS: *Communications involves the ability to read, write, and speak.*

Reads technical instructions, charts, and/or procedures manuals; composes routine reports and completes job forms; speaks compound sentences using standard grammar.

COMPLEXITY OF WORK: *Complexity of work addresses the analysis, initiative, ingenuity, creativity, and concentration required by the position and the presence of any unusual pressures.*

Performs skilled work involving rules/systems with almost constant problem solving; requires normal attention with short periods of concentration for accurate results and occasional exposure to unusual pressure.

IMPACT OF DECISIONS: *Impact of decisions refers to consequences such as damage to property, loss of data or property, exposure of the organization to legal liability, or injury or death to individuals.*

Makes decisions with moderately serious impact - affects work unit and may affect other units or citizens.

EDUCATION AND EXPERIENCE REQUIREMENTS

EDUCATION REQUIREMENTS: *Education requirements refers to job specific training and education required for entry into the position.*

Requires high school diploma or GED, and the equivalent of one year of college or specialized vocational training in computer science.

LICENSES, CERTIFICATIONS, AND REGISTRATIONS REQUIRED: *Licenses, certifications, and registrations refers to professional, state, or federal licenses, certifications, or registrations required to enter the position.*

Requires none

EXPERIENCE REQUIREMENTS: *Experience refers to the amount of work experience that is required for entry into the position that would result in reasonable expectation that the person can perform the tasks required by the position.*

Requires one year of related experience.

AMERICANS WITH DISABILITIES REQUIREMENTS

PHYSICAL DEMANDS: *Physical demands refers to the requirements for physical exertion and coordination of limb and body movement.*

Requires sedentary work involving standing or walking for brief periods, exerting up to 10 pounds of force on a regular basis, and moderate dexterity in operating machines, tools, or office equipment.

UNAVOIDABLE HAZARDS: *Unavoidable hazards refers to unusual conditions in the work environment that may cause illness or injury.*

The position is exposed to no unusual environmental hazards.

SENSORY (ADA) REQUIREMENTS: *Sensory requirements refers to hearing, sight, touch, taste, and smell necessary to perform the tasks required by the position efficiently.*

The position requires normal visual acuity and field of vision, hearing, and speaking.

AMERICANS WITH DISABILITIES ACT COMPLIANCE

The City of Dover is an Equal Opportunity Employer. ADA requires the City to provide adequate accommodations to qualified persons with disabilities. Prospective and current employees are encouraged to discuss ADA accommodations with management.

Reads routine sentences or instructions; writes routine sentences and completes routine work forms; speaks routine sentences using standard grammar.

COMPLEXITY OF WORK: *Complexity of work addresses the analysis, initiative, ingenuity, creativity, and concentration required by the position and the presence of any unusual pressures.*

Performs skilled work involving rules/systems with almost constant problem solving; requires normal attention with short periods of concentration for accurate results and occasional exposure to unusual pressure.

IMPACT OF DECISIONS: *Impact of decisions refers to consequences such as damage to property, loss of data or property, exposure of the organization to legal liability, or injury or death to individuals.*

Makes decisions with minor impact - affects only those in immediate work area.

EDUCATION AND EXPERIENCE REQUIREMENTS

EDUCATION REQUIREMENTS: *Education requirements refers to job specific training and education required for entry into the position.*

Requires high school diploma or GED, and the equivalent of one year of college or specialized vocational training in carpentry, construction, or a closely related field.

LICENSES, CERTIFICATIONS, AND REGISTRATIONS REQUIRED: *Licenses, certifications, and registrations refers to professional, state, or federal licenses, certifications, or registrations required to enter the position.*

Requires valid Delaware Driver's License.

EXPERIENCE REQUIREMENTS: *Experience refers to the amount of work experience that is required for entry into the position that would result in reasonable expectation that the person can perform the tasks required by the position.*

Requires two years of related experience.

AMERICANS WITH DISABILITIES REQUIREMENTS

PHYSICAL DEMANDS: *Physical demands refers to the requirements for physical exertion and coordination of limb and body movement.*

Requires medium to heavy work involving exerting up to 50 pounds of force on a frequent basis, and exceptional dexterity and skill in operating machinery and tools.

UNAVOIDABLE HAZARDS: *Unavoidable hazards refers to unusual conditions in the work environment that may cause illness or injury.*

The position is exposed to extreme heat/cold, wet or humid conditions, bright/dim lights, dust or pollen, intense noise levels, vibration, fumes or noxious odors, moving mechanical parts, electrical shock, heights, traffic, animals/wildlife, and toxic or caustic chemicals.

SENSORY (ADA) REQUIREMENTS: *Sensory requirements refers to hearing, sight, touch, taste, and smell necessary to perform the tasks required by the position efficiently.*

The position requires normal visual acuity and field of vision, hearing, speaking, color perception, sense of smell, depth perception, and texture perception.

AMERICANS WITH DISABILITIES ACT COMPLIANCE

The City of Dover is an Equal Opportunity Employer. ADA requires the City to provide adequate accommodations to qualified persons with disabilities. Prospective and current employees are encouraged to discuss ADA accommodations with management.

Update August 2012 KDH/JH Updated January 1/28/14 CM/MN

**CITY OF DOVER
POSITION DESCRIPTION**

TITLE: BUILDING MAINTENANCE CRAFTSPERSON II

FLSA: Non-Exempt

GENERAL DESCRIPTION

The essential function of the position within the organization is to serve as crew leader in the building of new structures, renovation of existing buildings, and maintenance of City property. The position is responsible for supervising assigned personnel, structures of responsibility, planning, training, materials, equipment, and related paperwork. The position works independently, reporting major activities through periodic meetings.

PRIMARY DUTIES: *This list represents the essential tasks performed by the position. Employees may be assigned additional duties by management as required.*

Oversees and participates in the renovation of the interior and exterior of existing buildings.

Leads assigned personnel in the building of new structures such as pole barns, additions to buildings, or well houses.

Designs, and draws plans and estimates costs for renovations and new structures.

Performs carpentry work in the Shop, building such items as cabinets and desks.

Performs skilled work and leads assigned personnel in the maintenance of City property, including carpentry, painting, and HVAC and plumbing tasks.

Performs repair work for City customers such as repairing fences, mailboxes, house siding, gutters, or garages.

Completes and maintains logs and records relating to work orders and personnel; prepares routine reports as required.

Performs park and safety inspections to ensure compliance with City ordinances and regulations; makes necessary repairs or adjustments.

Leads setting up and tearing down for special events such as New Year's Eve or Dover Days.

DATA RESPONSIBILITY: *Data refers to information, knowledge, and conceptions obtained by observation, investigation, interpretation, visualization, and mental creation. Data are intangible and include numbers, words, symbols, ideas, concepts, and oral verbalizations.*

Copies, transcribes, enters, or posts data or information.

PEOPLE RESPONSIBILITY: *People refers to individuals who have contact with or are influenced by the position.*

Provides assistance to people to achieve task completion; instructs or assigns duties to other departmental personnel.

INVOLVEMENT WITH THINGS: *Things refers to inanimate objects such as substances, materials, machines, tools, equipment, work aids, or products. A thing is tangible and has shape, form, and other physical characteristics.*

Handles machines, tools, equipment, or work aids involving moderate latitude for judgment regarding attainment of standard or in selecting appropriate items, such as table saw, planer, jointer, dump truck, front end loader, air compressor, back hoe, forklift, or jack hammer.

ASSETS RESPONSIBILITY: *Assets responsibility refers to the responsibility for achieving economies or preventing loss within the organization.*

Requires responsibility and opportunity for achieving moderate economies and/or preventing moderate losses through the management or handling of equipment and supplies of high value.

SAFETY OF OTHERS: *Safety of others refers to the responsibility for other people's safety, either inherent in the job or to assure the safety of the general public.*

Requires responsibility for the safety and health of others and for occasional enforcement of the laws and standards of public health and safety.

MATHEMATICAL REQUIREMENTS: *Mathematics deals with quantities, magnitudes, and forms and their relationships and attributes by the use of numbers and symbols.*

Uses practical application of fractions, percentages, ratios and proportions, measurements, or logarithms; may use algebraic solutions of equations and equalities, deductive geometry, and/or descriptive statistics.

COMMUNICATIONS REQUIREMENTS: *Communications involves the ability to read, write, and speak.*

Reads routine sentences or instructions; writes routine sentences and completes routine work forms; speaks routine sentences using standard grammar.

COMPLEXITY OF WORK: *Complexity of work addresses the analysis, initiative, ingenuity, creativity, and concentration required by the position and the presence of any unusual pressures.*

Performs skilled work involving rules/systems with almost constant problem solving; requires normal attention with short periods of concentration for accurate results and occasional exposure to unusual pressure.

IMPACT OF DECISIONS: *Impact of decisions refers to consequences such as damage to property, loss of data or property, exposure of the organization to legal liability, or injury or death to individuals.*

Makes decisions with minor impact - affects only those in immediate work area.

TITLE: MOTOR EQUIPMENT OPERATOR I

FLSA: Non-Exempt

GENERAL DESCRIPTION

The essential function of the position within the organization is to operate motor equipment in support of City maintenance operations. The position is responsible for assigned tasks. The position works under direct supervision according to set procedures.

PRIMARY DUTIES: *This list represents the essential tasks performed by the position. Employees may be assigned additional duties by management as required.*

Operates motor equipment to transport materials, tools, equipment, or personnel to job sites, load or haul dirt, or pick up debris from job sites.

Operates specialized motor equipment to support City operations such as trash/refuse pick up, street paving, grass cutting, snow removal, street sanding, sewer cleaning, repair, and replacement, or other specialized operations.

Operates hand and power tools and equipment to support maintenance operations such as weed cutting, leaf removal, debris removal, digging or filling, repairing and cleaning catch basins, or other maintenance tasks.

Inspects motor equipment and performs minor maintenance; reports malfunctions to supervisor.

Responds to and resolves customer complaints for the assigned area as directed.

Assists with traffic control and provides information to the public if required.

When individual is on-call, they are permitted to use a general-purpose vehicle for commuting purposes.

DATA RESPONSIBILITY: *Data refers to information, knowledge, and conceptions obtained by observation, investigation, interpretation, visualization, and mental creation. Data are intangible and include numbers, words, symbols, ideas, concepts, and oral verbalizations.*

Compares or inspects data, people, or things against a standard.

PEOPLE RESPONSIBILITY: *People refers to individuals who have contact with or are influenced by the position.*

Attends to the needs or requests of people and exchanges information with them.

INVOLVEMENT WITH THINGS: *Things refers to inanimate objects such as substances, materials, machines, tools, equipment, work aids, or products. A thing is tangible and has shape, form, and other physical characteristics.*

Handles machines, tools, equipment, or work aids involving moderate latitude for judgment regarding attainment of standard or in selecting appropriate items, such as dump trucks, garbage trucks, back hoe, or concrete saw.

ASSETS RESPONSIBILITY: *Assets responsibility refers to the responsibility for achieving economies or preventing loss within the organization.*

Requires some responsibility for achieving minor economies and/or preventing minor losses through the handling of or accounting for equipment, materials, or supplies.

SAFETY OF OTHERS: *Safety of others refers to the responsibility for other people's safety, either inherent in the job or to assure the safety of the general public.*

Requires some responsibility for safety and health of others and/or for occasional enforcement of the standards of public safety or health.

MATHEMATICAL REQUIREMENTS: *Mathematics deals with quantities, magnitudes, and forms and their relationships and attributes by the use of numbers and symbols.*

Uses addition and subtraction such as making change.

COMMUNICATIONS REQUIREMENTS: *Communications involves the ability to read, write, and speak.*

Reads simple sentences or instructions; writes simple sentences; speaks simple sentences using basic grammar.

COMPLEXITY OF WORK: *Complexity of work addresses the analysis, initiative, ingenuity, creativity, and concentration required by the position and the presence of any unusual pressures.*

Performs semi-routine work following procedures, with occasional problems; requires normal attention for accurate results.

IMPACT OF DECISIONS: *Impact of decisions refers to consequences such as damage to property, loss of data or property, exposure of the organization to legal liability, or injury or death to individuals.*

Makes decisions with minor impact - affects only those in immediate work area.

EDUCATION AND EXPERIENCE REQUIREMENTS

EDUCATION REQUIREMENTS: *Education requirements refers to job specific training and education required for entry into the position.*

Requires high school diploma, GED, or specialized vocational training.

LICENSES, CERTIFICATIONS, AND REGISTRATIONS REQUIRED: *Licenses, certifications, and registrations refers to professional, state, or federal licenses, certifications, or registrations required to enter the position.*

Requires valid Delaware Commercial Driver's License.

EXPERIENCE REQUIREMENTS: *Experience refers to the amount of work experience that is required for entry into the position that would result in reasonable expectation that the person can perform the tasks required by the position.*

Requires six to 12 months of related experience.

AMERICANS WITH DISABILITIES REQUIREMENTS

PHYSICAL DEMANDS: *Physical demands refers to the requirements for physical exertion and coordination of limb and body movement.*

Requires medium to heavy work involving exerting up to 50 to 100 pounds of force on a regular basis, and 75 to 150 pounds on an occasional basis.

UNAVOIDABLE HAZARDS: *Unavoidable hazards refers to unusual conditions in the work environment that may cause illness or injury.*

The position is exposed to extreme heat/cold, wet or humid conditions, bright/dim lights, dust or pollen, intense noise levels, vibration, fumes or noxious odors, moving mechanical parts, electrical shock, heights, disease/pathogens, traffic, animals/wildlife, explosives, and toxic or caustic chemicals.

SENSORY (ADA) REQUIREMENTS: *Sensory requirements refers to hearing, sight, touch, taste, and smell necessary to perform the tasks required by the position efficiently.*

The position requires normal visual acuity and field of vision, hearing, speaking, color perception, sense of smell, and depth perception.

AMERICANS WITH DISABILITIES ACT COMPLIANCE

The City of Dover is an Equal Opportunity Employer. ADA requires the City to provide adequate accommodations to qualified persons with disabilities. Prospective and current employees are encouraged to discuss ADA accommodations with management.

IMPACT OF DECISIONS: *Impact of decisions refers to consequences such as damage to property, loss of data or property, exposure of the organization to legal liability, or injury or death to individuals.*

Makes decisions with significant impact - affects only those in immediate work area.

EDUCATION AND EXPERIENCE REQUIREMENTS

EDUCATION REQUIREMENTS: *Education requirements refers to job specific training and education required for entry into the position.*

Requires high school diploma, GED, or specialized vocational training.

LICENSES, CERTIFICATIONS, AND REGISTRATIONS REQUIRED: *Licenses, certifications, and registrations refers to professional, state, or federal licenses, certifications, or registrations required to enter the position.*

Requires valid Delaware Commercial Driver's License.

EXPERIENCE REQUIREMENTS: *Experience refers to the amount of work experience that is required for entry into the position that would result in reasonable expectation that the person can perform the tasks required by the position.*

Requires six to twelve months of related experience.

AMERICANS WITH DISABILITIES REQUIREMENTS

PHYSICAL DEMANDS: *Physical demands refers to the requirements for physical exertion and coordination of limb and body movement.*

Requires medium to heavy work involving exerting up to 50 to 100 pounds of force on a frequent basis, and 75 to 150 pounds of force on an occasional basis.

UNAVOIDABLE HAZARDS: *Unavoidable hazards refers to unusual conditions in the work environment that may cause illness or injury.*

The position is exposed to extreme heat or cold, wet/humid conditions, bright or dim lights, dust/pollen, intense noise levels, vibration, fumes or noxious odors, moving mechanical parts, electrical shock, traffic, and toxic or caustic chemicals.

SENSORY (ADA) REQUIREMENTS: *Sensory requirements refers to hearing, sight, touch, taste, and smell necessary to perform the tasks required by the position efficiently.*

The position requires normal visual acuity and field of vision, hearing, speaking, color perception, sense of smell, and depth perception.

AMERICANS WITH DISABILITIES ACT COMPLIANCE

The City of Dover is an Equal Opportunity Employer. ADA requires the City to provide adequate accommodations to qualified persons with disabilities. Prospective and current employees are encouraged to discuss ADA accommodations with management.

12/30/10 general purpose vehicle for commuting KDH

**CITY OF DOVER
POSITION DESCRIPTION**

TITLE: MOTOR EQUIPMENT OPERATOR III

FLSA: Non-Exempt

GENERAL DESCRIPTION

The essential function of the position within the organization is to lead in providing City services and in support of City maintenance operations. The position is responsible for tasks of responsibility and leading personnel as directed. The position works under general supervision according to some procedures; decides how and when to complete tasks.

PRIMARY DUTIES: *This list represents the essential tasks performed by the position. Employees may be assigned additional duties by management as required.*

Monitors and reviews work assignments and determines resources required to complete tasks, such as number of workers, materials, tools, or equipment.

Operates motor equipment to transport materials, tools, equipment, or personnel to job sites, load or haul dirt, or pick up debris from job sites.

Operates specialized motor equipment to support City operations such as trash/refuse pick up, street paving, snow removal, street sanding, water/sewer line or storm drain cleaning, repair, and replacement, or other specialized operations.

Inspects motor equipment and performs minor maintenance; reports malfunctions to supervisor.

Responds to and resolves customer complaints for the assigned area as directed.

Assists with traffic control and provides information to the public if required.

Completes job-related logs and forms.

When individual is on-call, they are permitted to use a general-purpose vehicle for commuting purposes.

Water/Wastewater Division: Operate camera truck to video sanitary and storm sewer mains. Operate jetter truck for cleaning sewer mains.

DATA RESPONSIBILITY: *Data refers to information, knowledge, and conceptions obtained by observation, investigation, interpretation, visualization, and mental creation. Data are intangible and include numbers, words, symbols, ideas, concepts, and oral verbalizations.*

Copies, transcribes, enters, or posts data or information.

PEOPLE RESPONSIBILITY: *People refers to individuals who have contact with or are influenced by the position.*

Attends to the needs or requests of people and exchanges information with them.

INVOLVEMENT WITH THINGS: *Things refers to inanimate objects such as substances, materials, machines, tools, equipment, work aids, or products. A thing is tangible and has shape, form, and other physical characteristics.*

MOTOR EQUIPMENT OPERATOR III

Leads or handles machines, tools, equipment, or work aids involving moderate latitude for judgment regarding attainment of standard or in selecting appropriate items, such as dump trucks, garbage trucks, jet truck, or back hoe.

ASSETS RESPONSIBILITY: *Assets responsibility refers to the responsibility for achieving economies or preventing loss within the organization.*

Requires responsibility and opportunity for achieving moderate economies and/or preventing moderate losses through the management or handling of equipment and supplies of high value.

SAFETY OF OTHERS: *Safety of others refers to the responsibility for other people's safety, either inherent in the job or to assure the safety of the general public.*

Requires some responsibility for safety and health of others and/or for occasional enforcement of the standards of public safety or health.

MATHEMATICAL REQUIREMENTS: *Mathematics deals with quantities, magnitudes, and forms and their relationships and attributes by the use of numbers and symbols.*

Uses addition and subtraction such as making change.

COMMUNICATIONS REQUIREMENTS: *Communications involves the ability to read, write, and speak.*

Reads routine sentences or instructions; writes routine sentences and completes routine work forms; speaks routine sentences using standard grammar.

COMPLEXITY OF WORK: *Complexity of work addresses the analysis, initiative, ingenuity, creativity, and concentration required by the position and the presence of any unusual pressures.*

Performs semi-routine work involving set procedures and rules, but with frequent problems; requires normal attention with short periods of concentration for accurate results or occasional exposure to unusual pressure.

IMPACT OF DECISIONS: *Impact of decisions refers to consequences such as damage to property, loss of data or property, exposure of the organization to legal liability, or injury or death to individuals.*

Makes decisions with moderate impact - affects only those in immediate work area.

EDUCATION AND EXPERIENCE REQUIREMENTS

EDUCATION REQUIREMENTS: *Education requirements refers to job specific training and education required for entry into the position.*

Requires high school diploma, GED, or specialized vocational training.

LICENSES, CERTIFICATIONS, AND REGISTRATIONS REQUIRED: *Licenses, certifications, and registrations refers to professional, state, or federal licenses, certifications, or registrations required to enter the position.*

Requires valid Delaware Commercial Driver's License.

Water/Wastewater Department: Pipeline Assessment Certification (PACP)

EXPERIENCE REQUIREMENTS: *Experience refers to the amount of work experience that is required for entry into the position that would result in reasonable expectation that the person can perform the tasks required by the position.*

MOTOR EQUIPMENT OPERATOR III

Requires minimum of three years of related experience.

AMERICANS WITH DISABILITIES REQUIREMENTS

PHYSICAL DEMANDS: *Physical demands refers to the requirements for physical exertion and coordination of limb and body movement.*

Requires medium to heavy work involving exerting up to 50-100 pounds of force on a regular basis, and 75 to 150 pounds on an occasional basis.

UNAVOIDABLE HAZARDS: *Unavoidable hazards refers to unusual conditions in the work environment that may cause illness or injury.*

The position is exposed to extreme heat/cold, wet or humid conditions, bright/dim lights, dust or pollen, intense noise levels, vibration, fumes or noxious odors, moving mechanical parts, electrical shock, heights, disease/pathogens, traffic, animals/wildlife, explosives, and toxic or caustic chemicals.

SENSORY (ADA) REQUIREMENTS: *Sensory requirements refers to hearing, sight, touch, taste, and smell necessary to perform the tasks required by the position efficiently.*
