The Town Attorney questioned why the title is being changed. Parks and Recreation Director Michael Jeffery explained that the Oneida County Personnel Department had phased out the title of Parks Clerk/Typist, leaving three (3) title choices to pick from. With Ms. Owens retiring, a full-time replacement would be required to pass the relevant civil service exam. Personnel Technician Barbara Schwenzfeier, Recreation Center Manager John C. Public Works and Sewer Committee – Councilman Miscione

**Purchase of a Milling Head**

The Highway Superintendent would like to purchase a milling head to replace one that is twenty (20) years old and is needed this summer to take care of stormwater issues. The Town Supervisor asked if the Finance Director was aware of this; Finance Director Dreimiller responded it was the first he heard about it. Councilman Miscione stated that the Highway Superintendent can purchase a milling head on State Contract for $12,008. Discussion ensued about which accounts the milling head could be paid – sewer, highway part-town, caution – sales tax revenue cannot be shifted between sewer and highway accounts. Thereafter, Councilman Woodland introduced the following Resolution for adoption; seconded by Councilman Miscione:

**(RESOLUTION NO. 58 OF 2016)**

RESOLVED that the Town Board of the Town of New Hartford does hereby authorize and direct the Bookkeeper to make the following 2016 Budget adjustments for the purchase of a milling head for the Highway Department:

**Auction and Upgrade of Highway Equipment**

Councilman Miscione reported that the Highway Superintendent would like to place three (3) loaders, a skid steer and a backhoe for auction and if he gets the monies needed, buy new equipment under State bid Contract. Supervisor Tyksinski asked the age of the equipment; Highway Superintendent Sherman responded probably 13 or 14 months old after which the Town Supervisor wanted to hold off on this matter. Councilman Miscione stated the request is just to place the equipment on auction to see if sufficient monies can be realized to upgrade the equipment; and if not, the equipment won’t be upgraded. Supervisor Tyksinski asked, you’re going to sell all of these for exactly what you’re going to buy new ones for? The Highway Superintendent answered that’s what we’ve been doing for the past 2 years, 3 years. The Town Supervisor said, but we’ve ended up having to pay a few extra. Discussion continued with the Highway Superintendent confirming that only one of the equipment items has a lease, that being Loader #3 with a balance owed of $30,000. Thereafter, Councilman Miscione introduced the following Resolution for adoption; seconded by Councilman Woodland:

(RESOLUTION NO. 59 OF 2016)

RESOLVED that the New Hartford Town Board does hereby authorize the Highway Superintendent to sell at auction through Auctions International the following equipment:

Youth Employment Director (Vacancy)

Parks Department employee Maureen Owens is retiring and the Town Supervisor noted that part of Ms. Owens’ job was to handle the Youth Employment program, which basically connects Town residents with New Hartford youths who would like to rake leaves, shovel sidewalks, babysit, etc. Supervisor Tyksinski had talked to Parks and Recreation Director Michael Jeffery and Town Clerk Gail Wolanin Young about transferring those duties from the Parks Department – because it’s a stipend position – to a Town Clerk employee, specifically, Melody Fancett. This action would also relieve some pressure off the person being hired to fill Ms. Owens’ job, and would also be centrally located for applicants to come to the Town Clerk’s Office in Butler Memorial Hall. The Parks and Recreation Director had no problem with the proposal and the Town Clerk was in favor of this change. Thereafter, Supervisor Tyksinski offered the following Resolution for adoption; seconded by Councilman Miscione:

(RESOLUTION NO. 66 OF 2016)

WHEREAS, Maureen Owens will be retiring in June 2016 as Parks Clerk/Typist and from the Youth Employment Director position;

2016 Budget – Discussion on $150,000 Deficit
The Town Supervisor stated that the Town has a very tight budget this year and now there is a $150,000 deficit as of the April 2016 Town Board meeting due to Local Law Introductory “A” (the Parks parking fees legislation) not having been adopted. Councilman Reynolds believed from the “get go” that the Town would never collect the anticipated $150,000 in parking fees. Supervisor Tyksinski noted that the 2016 Budget had been unanimously adopted; and if there in fact had been doubts (about collecting that revenue), the budget should never have been passed. Councilman Reynolds countered that you can’t throw out the Budget because of one line item. Councilman Messa also had believed and stated that the Town would not collect $150,000 in parking fees. Councilman Reynolds said he had made it clear that the Town would not collect $150,000 in parking fees and that there should have been a Plan “B”. Supervisor Tyksinski said you don’t have a Plan “B” with a budget. Councilman Reynolds believed the proposed revenue was overstated on a program that didn’t even exist; the Supervisor responded that the Town Board should have reduced the appropriation line and that he didn’t believe the Town had overestimated the revenue. He had discussed this matter with the Parks and Recreation Director and the Finance Director. Councilman Reynolds believed that if the program had been in place, there would have been a benchmark which would have been different. Supervisor Tyksinski asked the Board members if they wanted him to make the budget cuts. Councilman Miscione still supports the parking fees and believes that the Parks should generate some revenue, whether it be carnivals, or some other activity. In response to the Supervisor’s inquiry, the Parks and Recreation Director stated that the Town had moved away from large events at Sherrillbrook Park due to traffic concerns and that he was not opposed to parking fees for patrons of the parks. Councilman Messa stated that if the proposal to establish parking fees in the Town’s parks ever comes up again, he “…would not vote for it…ever!” The Town Supervisor reiterated the 2016 shortfall of $150,000, adding that this gap will continue into 2017. Adding to this situation is a decline in sales tax revenue; the Finance Director said that from 2013 to 2015, sales tax revenue for the Town was down by $170,000. The Town Attorney also mentioned several certiorari proceedings that have not been settled yet; with that, there’s the possibility of refunds and a drop in property tax which affects the sales tax, said the Town Supervisor.

**(RESOLUTION NO. 70 OF 2016)**
