DISCUSSION OVERVIEW OF COMPREHENSIVE PLAN

City Community Development Director Travis Goddard explained that tonight's meeting was to focus on the goals, policies and objectives of the individual chapters of the Comprehensive Plan. Mr. Goddard will be going through each chapter with the Planning Commission to make any changes that might be needed. The goal is to take it to city council for review and to accept it as what they would like to proceed with, if so they will direct Mr. Goddard to do the environmental review and put it through the state agency review early next year. Mr. Goddard would like the Planning Commission to attend the City Council to talk about what the Comprehensive Plan update process was like and whether or not they are in support or whether they feel more needs to be done at this time.

Planning Commission Chairman Terry Thompson mentioned that the Planning Commission needs two positions filled as Mr. McCourtie will be leaving to set on the council. We also need to elect a new Chairman and Vice Chairman for 2016 and this should be done in the January meeting.

ADJOURNMENT

Having no other business at hand Chairman Terry Thompson asks for a motion to adjourn the meeting, the next meeting to be determined. Meeting adjourned at 8:45 pm. M/S Ensz/Gentry
