Area Manager

Dear Mr Dorval:

The Othello City Council granted a variance to Washington Water Power to place a trunk feeder line on 14th Avenue from Lee Road to Highway 26. They found that undergrounding is technologically unsound; the cost to underground is prohibitive; and the variance is in the best interest of the community.

The city is appreciative of Washington Water Power's efforts to provide reliable, sound service to our citizens.

Sincerely,

  
E R Kelley  
Mayor
