WHAT IS THIS

Proponents of a land use activity or commercial development within the City of Othello must schedule a Technical Review Pre-Application Meeting. The purpose for this meeting is to allow City staff to discuss and guide you through the regulations that may impact your development proposal prior to the substantial investment of time and money.

PURPOSE

The informal pre-application meeting allows City staff to review a proposed project for possible impacts and provide such information to the proponent prior to submission of a formal application.

Possible impacts include, but are not limited to: parking requirements, landscaping standards, sign requirements, zoning regulations including setbacks, height restrictions, stormwater drainage requirements, building requirements, fire requirements, frontage improvements, access requirements, sewer and water connections, and fees associated with your project.

The following City departments are typically represented at the meeting to give the proponent written comment applicable to their proposed project:

- Planning
- Building
- Public Works
- Parks and Recreation
- Police
- Fire

WHAT DO I NEED IN ORDER TO SCHEDULE A PRE-APPLICATION MEETING

- Site address including building or suite number and/or parcel number**
- Contact person's name, mailing address, phone number, and email address**

HOW DO I SCHEDULE A PRE-APPLICATION MEETING

Once you have gathered all of the required items, submit them to the Building Department. After verifying that your submittal contains information as requested above, Building staff will schedule you for an available date and time on the Technical Review Pre-Application Meeting schedule.

WHEN WILL MY PRE-APPLICATION MEETING BE SCHEDULED

Technical Review Pre-Application meetings are typically scheduled 2 - 4 weeks from the date of submittal. Scheduling allows City staff adequate time to review your proposed project and provide a response prior to meeting with the project proponent.
