- IX. Public Comment
- X. Adjourn

During the course of the public meeting, the Board may vote on whether to conduct an executive session to consider confidential and proprietary business before the Board, and any such executive session will not be open to the public, pursuant to 29 Delaware Code, Section 10004(b)(4) and (6). The executive session may address matters involving the discussion of the content of documents, excluded from the definition of “public record,” or which involve the potential for litigation. The documents excluded from the definition of “public record” referred to above might include records containing commercial or financial information that is of a privileged or confidential nature, and records exempted from public disclosure by statute or common law. Those documents containing confidential information may include: a) financial projections, strategies, and analyses related to the SEU’s anticipated bond issue, b) projections, strategies, and analyses related to the work of the Renewable Energy Task Force, and c) projections and analyses related to an administrative law proceeding involving the Integrated Resource Plan for Delmarva Power.
