STATISTICS

Lots of caring and responsible parents have left their children alone in or around a car, not realizing the risks involved. Some parents think it is okay to leave a child alone in a car while they run into a store, quickly drop off dry cleaning or while dropping off another child at school. The dangers are real. The results of leaving a child unattended in or around a vehicle can be deadly.

DANGERS

A child can;

put a vehicle in motion,

suffer heat stroke in a hot vehicle,

activate power windows and become trapped by power windows or sunroofs,

turn on the ignition,

and become trapped in trunks!

Watch Out!

Children do not know when vehicles are dangerous.

Check around the vehicle before

Safety Tips

- Never leave children alone in a vehicle.
- Keep vehicles locked at all times, even in the driveway or garage.
- Never leave keys where a child can get them.
- Inspect around your vehicle before moving it.
- When a child is missing, check vehicles and car trunks immediately.
- Teach your children not to play in or near vehicles.

If a child is locked in a vehicle, call 911 for help. If they are hot or seem sick, call 911!
