### CLASSIFICATION SUMMARY

Incumbents in this classification ensure the integrity, efficiency and quality of installations, improvements and maintenance related to the City's streets and stormwater infrastructure; provide supervisory functions; represent the City of Keizer on Regional Public Works issues relating to stormwater and street infrastructure and ensure the integrity, efficiency and quality of the City's stormwater distribution system.

### SUPERVISION

This is a supervisory position. This position supervises assigned employees, which includes: scheduling and assigning work; mentoring, coaching, and training; developing work plans and reviewing work for completion; evaluating performance and providing necessary feedback to employees; setting work standards; imposing or effectively recommending necessary disciplinary action; responding to grievances; and making or effectively recommending hiring and termination decisions.

### PHYSICAL DEMANDS – SAFETY – WORKING CONDITIONS

*The physical demands (including lifting, mobility, movement and manual dexterity), work environment and working conditions described below are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.*

#### Physical Demands

Physical effort is required to perform heavy manual labor. Regular lifting of objects and equipment ranging in weight from 25 to 100 pounds is required. In the performance of job duties, the employee is frequently required to sit; talk or hear; walk; use hands to finger, handle, or feel objects, tools or controls; bend; and reach with hands and arms. The employee is regularly required to climb or balance, stoop, kneel, climb stairs, crouch or crawl. Specific vision abilities required by this job include close, distance, color and peripheral vision; depth perception; and the ability to adjust focus. Manual dexterity and coordination are required to perform the work. These abilities are necessary to the previously referenced heavy manual labor as well as to use a personal computer and various software programs, calculator, phone, copy and fax machines, and other related tools and equipment.

#### Safety

Employees must maintain a safe work environment by complying with City and Department safety policies and rules and by practicing safety while performing the essential functions of the position. This supervisory position is responsible to actively support safety and loss control measures for the City as a whole and to maintain accountability for safety and loss control issues within the Department.

## **Working Conditions**

In the performance of the job duties, the employee will perform the majority of this job outside in varying and extreme weather conditions for extended periods of time. Employees risk physical hazard from mechanical and electrical equipment, exposure to human debris, drug paraphernalia, hazardous gases, fumes, paint, chemicals and pesticides. Outdoors noise level is frequently high. Indoors, job duties will be performed in an office environment under usual office working conditions. Work is also performed in numerous meeting settings in offices, conference rooms and public spaces. The noise level in the work area is typical of most office environments, with telephones, personal interruptions and background noises. Occasional contact with customers in conflict situations. Subject to 24-hour call back for emergency conditions.

## **ESSENTIAL FUNCTIONS – DUTIES & RESPONSIBILITIES**

*An employee in this classification may perform any of the following duties; however, these examples do not include all the specific tasks which an employee may be expected to perform. Based on the Public Works Department's cross-functional team approach to projects, all employees may perform duties in sections other than those regularly assigned as needed and directed. In addition, employees may be assigned as Competent Person on any given job. Duties and responsibilities are subject to change by the employer as the needs of the employer and requirements of the job change.*

It is the responsibility of every employee to represent the City of Keizer by responding to the public, citizens, its employees, and others promptly, professionally and with courtesy. This includes regarding everyone, internal and external, as a customer and delivering the best service possible in a respectful and patient manner. Additional responsibilities include assisting other staff in the performance of their duties as assigned, maintaining regular job attendance and adherence to working hours, and operating a motor vehicle safely and legally while on City business.
