

Old Keizer School

Located at the corner of Chemawa Road and Rickman, The Old Keizer School, now known as the Keizer Heritage Community Center, dates from 1916.

Originally located at Chemawa and River Road, the building was wheeled to the City Hall property in 1996. Successful fundraising efforts by community leaders resulted in the building being restored in 1999.

It now houses the Keizer Heritage Museum, Keizer Art Association's Enid Joy Mount Gallery and Classroom, the Keizer Chamber of Commerce and the Keizer Community Library.

Geo-Cache

To learn more about the fun outdoor activity, check out www.geocache.com.

Originating in Oregon in 2000, this sport has become the rage. So grab your gps, check out the website and spend an afternoon exploring Keizer and "treasure hunting"!

Claggett Cemetery

Bolf Terrace

High on a bluff above McNary Golf Club is a tiny, old cemetery. It is located off Wheatland Road at the end of a narrow lane that is almost hidden by tall fir trees and is easily missed. Some of the earliest graves in the Salem area are here in Claggett Cemetery.

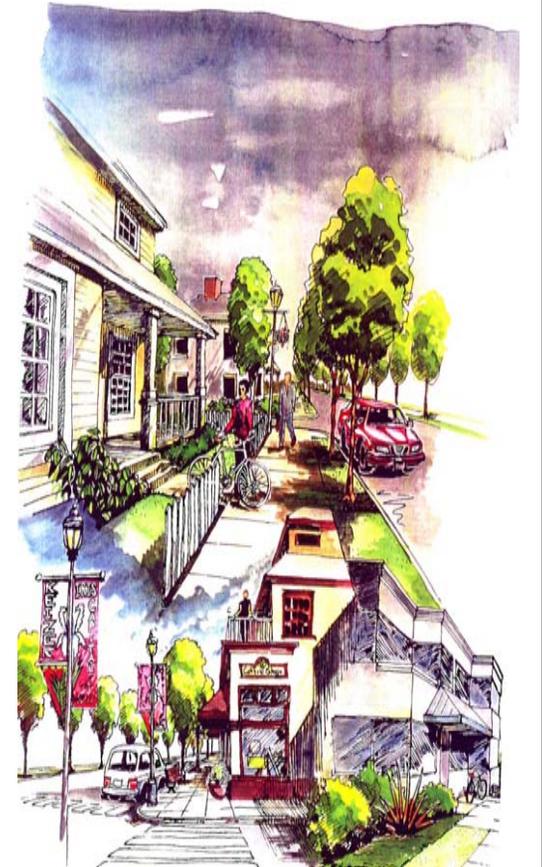

Spong's Landing Park

Naples Road

Spong's Landing Park is located on the donation land claim staked by Alexander Spong in 1853, along the Willamette River north of Salem. Captain John M. Spong operated a steam boat from the landing and other river traffic stopped for supplies and wood fuel cut on the property. A ferry was also operated by the Spong family, in competition with Doaks Ferry. The ferry was operated until the Salem bridges and the County-operated ferry forced it out of business. In the 20's and 30's, Spong's Landing was one of the most popular swimming and picnic facilities in Marion County. A sign at the entrance read: "Admission \$.25 per car, \$.05 hikers and bikers."

Keizer Points of Interest

Marie Dorian

Keizer Station
Central Park

Marie Dorian, a Native American of the Sioux Nation, gained recognition for her endurance and courage in the early American West. As the only woman on the long and difficult Wilson Price Hunt Expedition from Montreal to the wild Oregon Territory, Marie's strength of character and courage earned her a reputation for bravery.

Art Walk

Check out our
Public Art at:

- River Road North of Lockhaven
- River Road South of Lockhaven
- 4900 River Road (Keizer Plaza)
- 980 Chemawa Road (Civic Center)
- River Road at Sonic Drive-In
- River Road Town & Country Lanes

45th Parallel

The **45th parallel north** is a circle of latitude that is 45 degrees north of the Earth's equatorial plane. Located just north of Chemawa Road, the monument on River Road marks the halfway point between the Equator and the North Pole.

Donation Land Claim

SE Corner River &
Chemawa

After wintering on the west side of the Willamette River in 1843, the Keizurs crossed the river and took up land claims under the Land Act of the Provisional Government. These claims were later filed under the Donation Land Act of 1850. This marker shows the northeast corner of the first claim filed: that of John Brooks Keizur, one of Thomas Dove Keizur's sons.

Thomas Dove Keizur Statue

Thomas Dove Keizur, for whom our fair city is named, is pictured above on his Morgan horse. This statue is located at the corner of Chemawa and Bailey Road on the northwest corner of the City Hall complex. T.D Keizur came to Oregon with the Applegate wagon train in the fall of 1843.

Fire District

The Keizer Fire District, located at 661 Chemawa Road, was organized on May 4, 1948 with 26 volunteers. The equipment at that time consisted of one 1948 Ford 500 gallon pumper, equipped with the latest type high pressure pump at a cost of less than \$10,000.00. This fire engine was housed in a lean-to shed at the Keizer Food Lockers and was eventually sold but later repurchased and restored by volunteers. Today this fully operational fire engine is proudly displayed at Fire District open houses and area parades.
