WHEREAS, the City of Keizer has a Police Department dedicated to protecting

the public;

WHEREAS, the City Council has determined that the current level of police

services in Keizer is far below the national and state averages;

WHEREAS, the City Council has determined that to fill gaps in service, there is a

need for additional resources;

WHEREAS, police services are available for every developed property in the

City;

WHEREAS, the City has the authority to impose fees;

WHEREAS, the City Council held a public hearing to solicit comment and

testimony regarding the proposed fee on July 17, 2017;

WHEREAS, the City Council finds it in the best interest of the community to

impose a police services fee;

NOW THEREFORE, the City of Keizer ordains as follows:

Section 1. PURPOSE OF POLICE SERVICES FEE. The purpose of the

police services fee is to provide funding for police services. Police services safeguard,
facilitate, and encourage the health, safety, and welfare of the residents and enterprises of the City of Keizer. Stable and reliable police services provide a multitude of economic and social benefits to the public, including, but not limited to:

A. Protection of life and property;
B. Reduction in the incidence of crime;
C. Dependable response by law enforcement.

The Keizer City Council finds and determines the necessity of this police services fee to provide a funding mechanism to help pay for the benefits of police services and to provide an acceptable level of service.

Section 2. DEFINITIONS. For purposes of this Ordinance, the following mean:

A. Non-Residential Unit. A Premise or a portion of a Premise not used for personal, domestic accommodation in independent living facilities. A Non-Residential Unit includes, but is not limited to, governmental, not-for-profit, business, commercial and industrial enterprises. Each portion of a Non-Residential Unit that has permanent provisions for distinct and defined access to an individual enterprise shall be considered as a separate Non-Residential Unit. Enterprises that provide senior living, assisted living, nursing care and similar services exclusively shall be considered non-residential.

B. Premise. A parcel or portion of a parcel of land within the corporate limits of the City of Keizer that receives a direct or indirect benefit from police services. It is
presumed that a Premise receives a direct or indirect benefit from police services if the
Premise is developed. A Premise is presumed to be developed if served by water,
stormwater, wastewater utility, or has improvements, including, but not limited to
buildings, parking lots or outdoor storage.

C. Residential Unit. A Premise or a portion of a Premise with one or more
rooms in a building or portion thereof designed for or that provides complete
independent living facilities for one or more persons and includes permanent provisions
for sleeping, cooking and sanitation. An accessory or ancillary residential unit on a
Premise shall be considered as a separate residential unit. In Premises with two or more
apartments, condominiums, mobile homes, or other residential units, each residential unit
shall be considered as a separate residential unit for purposes of calculating the police
services fee. Premises or portions of Premises primarily used for transient lodging
whose occupants are subject to Ordinance 98-382 (Transient Occupancy Tax) shall not
be considered a residential unit.

Section 3. ESTABLISHMENT OF POLICE SERVICES FEE.

A. Except as exempted below, beginning with the November 2017 utility bills,
a police services fee is established and imposed upon all Premises within the Keizer City
limits.

B. Premises owned by the City of Keizer and Keizer Urban Renewal Agency
that are property-tax exempt are exempt from the payment of any police services fee.
C. The police services fee for each utility account shall be based on a monthly amount applied to the number of Residential Units and Non-Residential Units allocated to that utility account.

D. Residential Units and Non-Residential Units that are the basis for calculating the police services fee do not in any way create an obligation of the property or Premises and the obligation to pay the police services fee is a personal obligation of the customer responsible for payment of the City utility account. No lien will attach to any Premise because of the nonpayment of the police services fee.

E. All developed property receives a direct or indirect benefit from police services. Unless specifically exempted, the police services fee applies to all City of Keizer utility accounts, including those that serve local, state and federal governments, and to utility accounts that serve Premises that are entitled to an exemption from or deferral of ad valorem property taxes, as well as Premises not connected to utility services.

F. The police services fee described herein is not subject to the property tax limitations of Article IX, Sections 11b and 11(19) of the Oregon Constitution and is not a fee imposed on property or property owners by fact of ownership.
Section 4. AMOUNT OF POLICE SERVICES FEE. The amount of the police services fee shall be set by Keizer Council Resolution. In addition, the Council may set by Resolution fees for extra services required in collecting delinquent customer accounts for the police services fee.

Section 5. DEDICATED FUNDS.

A. There shall be a Police Services Fund. All police services fee revenues imposed and collected under this Ordinance shall be deposited in the Police Services Fund.

B. Money in the Police Services Fund shall be used for the purposes of City police services as determined each year during the budget process. The police services fee shall not be used for any other governmental or proprietary functions of the City. Any revenues in excess of actual expenses as identified in the budget process shall be carried forward to next year’s budget.

Section 6. BILLING.

A. The customer(s) responsible for paying the City utility account is responsible for payment of the police services fee. For non-utility Premises, the property owner as set forth in the Marion County tax records shall be the responsible party.
B. The City shall collect the police services fee by adding the police service fee to the utility bill of each customer in the City of Keizer. For non-utility accounts, the billing shall be mailed to the property owner’s address as set forth in the County property records, unless such owner requests the billing be sent to a different address.

C. If a Premise has more than one utility account, the police services fee for the Premises shall be calculated based on the total number of Residential Units and Non-Residential Units on the Premise. The Residential Units and Non-Residential Units may be combined into one account or allocated to each account.

D. Charges for water, wastewater, stormwater, police services fee, and the parks services fee may be billed on the same utility bill. If full payment of utility billing is not made, payment shall be applied in the following order:

A. Customers who believe their police services fee, as applied to their Premise, is not within the intent of this Ordinance may request, in writing, a review of their police services fee by the Finance Director. The Finance Director may initiate a review of a customer’s police services fee.

i) If a customer’s charge is reduced as a result of this review, the corrected police services fee shall begin with the next billing and a credit or refund shall be made retroactively, not to exceed one year from the last billing.

ii) If a customer’s charge is increased as a result of this review, the corrected police services fee shall begin with the next billing and the customer may be billed for the increase retroactively, not to exceed one year from the last billing.

B. If an existing customer has not been billed for the police services fee, the police services fee shall begin with the next billing and the customer may be billed retroactively, not to exceed one year.

C. Customers not satisfied with the results of the review by the Finance Director may appeal the Finance Director’s decision to the Keizer Hearings Officer who shall determine, by preponderance of the evidence, whether the Finance Director’s decision should be upheld or reversed, or upheld in part and reversed in part. A Notice of Appeal must be in writing and physically delivered to the Finance Director no later than fourteen (14) calendar days from the date of the Finance Director’s decision. The

D. The Finance Director may write off closed accounts and retroactive bills if it is in the best interest of the City and may write off refunds, unless the customer requested otherwise, if the cost of making the refund would exceed the amount of the refund.

A. A police services fee is delinquent if payment in full is not received on or before the due date.
B. If a customer's utility account is delinquent for police services fee only, the City may not discontinue water services billed on that account. However, the City may refuse to restore water service to the Premise if the delinquent charges and other costs incurred are not paid.

C. Delinquent amounts owing may be collected by all legal means, including, but not limited to the referral or assignment to a collection agency.
