HIGH PRIORITY GUIDEBOOK (Separately Bound)

The purpose of the High Priority Guidebook is to summarize the vision, policy areas and high-priority action items in the Comprehensive Plan and identify key areas where the concepts of the Plan can be used at the local level. This document should be utilized as a companion quick-reference guide to the overall Comprehensive Plan, as it outlines the action items and recommendations the County should make a priority during Plan implementation.

ACKNOWLEDGMENTS

County Board of Legislators

David H. Pendergast - County Manager
 Jack Bush - Chairman
 William Burke
 Charles Fanning
 John Boyd
 Richard Lucas
