  - e. Accrued vacation time will be paid upon termination of employment.
  - f. Unused PTO will be at a maximum of 160 hours.

Motion passed unanimously.

- 11) 9:59 AM Discuss emergency ordinance to change notice provisions on CAFO Conditional Use Permit applications before the Board of Commissioners if there are no protests during the Planning and Zoning hearing.
- a. An applicant for a CAFO Conditional Use Permit had concerns regarding the delay in the approval process under current County Code.
  - b. A requested change of process for CAFO's that was recommended by use of an emergency ordinance may not evidence imminent peril. Consequently, the process would require a hearing before the Board for approval which would create a significant delay in approval according to the applicant.
  - c. It was pointed out that there was no negative input or opposition from neighbors or others in the initial application process.
  - d. McMurray said the proposed project does not change the CAFO footprint. It only includes a style of process change and movement of a barn facility which does not constitute a substantial change.
  - e. Darrington said this extended timeframe for hearings and approval is a recurring problem with other applicants historically.
  - f. Concerns with the building permit process and the Ag siting's new process defined in County Code was discussed.
  - g. Darrington said he is sympathetic with concerns but also said there is a need to follow our County ordinances.

- h. Consistency is important as well as safety and health issues according to Abenroth. Not following our processes in place would be problematic.
- i. Kunau said the cost in time and money is inconceivable.
- j. A soft spot or weakness in the ordinance can manifest along the way and those ordinances can be changed for situations going forward according to Abenroth.
- k. Planning and Zoning will present a resolution to approve the applicant's changes which will happen at their next board meeting. A hearing will then be scheduled with the Board to consider approval. A determination would potentially happen on 11/5/2018.
- l. Darrington asked for Abenroth to review ordinances for potential changes.

- a. A grant for implementation of e-Citations was explained by Lieutenant Jason Rogers.
  - b. An amount up to \$107,000 which includes a 25% soft match based on logged mileage of deputy officers was detailed.
  - c. This grant may only be available this year according to Rogers.
  - d. The match amount for both county and city allocations total is \$26,750 maximum based on the logged mileage. Rogers hoped that amount would be about half.
  - e. Data terminals, printers, and computers are included in the bid. Rogers pointed out that their current computers in the patrol cars are at end of life and need to be replaced anyway.
  - f. Information gets transmitted automatically with the new e-Citation program and works with the Odyssey software. They are currently working with CAI to integrate that with the financial software.

**CASSIA COUNTY COMMISSION  
SPECIAL SESSION  
Tuesday, September 4, 2018**

- g. Funding is permitted by utilizing ITD-approved equipment. The least expensive bid option, according to Rogers, was to purchase directly from Dell Computers. This is the same as what Minidoka County had done with their purchase.
- h. The total amount of \$107,000 will need to be expended by the County and their portion will be reimbursed by way of the grant at a later date.

9:26 AM **Motion:** Approve the ITD Department of Highway Safety e-Citation SWET Grant for law Enforcement as presented, **Action:** Approve, **Moved by** Paul Christensen - Member, **Seconded by** Tim Darrington - Member. Motion passed unanimously.

- i. Larsen said he supports the project as it will provide much more efficiency with the deputy court clerks as well.

17) 10:59 AM Discuss request of Adult Misdemeanor Probation Office regarding employee compensation

- a. Misdemeanor Probation Supervisor Amber Prewitt expressed concerns with the Board regarding base pay increases she requested for the FY2019 budget year that were not approved by the Joint Powers Boards.
- b. She enumerated the difficulty it has been to retain and recruit probation officers with the current starting rate of pay.
- c. She requested of the Board to consider a base rate of pay increase in addition to the final approved FY2019 budget of \$1.50/hour for her, \$2.88/hour for probation officers, and \$1.00/hour for the office secretary and drug tester. That would require a total of \$48,186.82 above the approved final budget which equates to \$24,983.41 per county more than the final FY2019 budget.
- d. Christensen expressed the importance of their office being competitive with the Mini-Cassia Juvenile Probation Office.
- e. Darrington expressed concern that this request was presented just days following the finalization of the FY2019 budget. He desired to leave the amount as it was approved unanimously by both Minidoka and Cassia County Commissioners.

**CASSIA COUNTY COMMISSION  
SPECIAL SESSION  
Tuesday, September 4, 2018**

11:16 AM **Motion and Action:** Approve raising the minimum wage to \$16.50 per hour for the starting pay and raise Angel Barboza and Enrica Molina by \$2.00 per hour because of their seniority in the organization, **Moved by** Paul Christensen – Member.  
Motion withdrawn.

11:49 AM **Substitute Motion and Action:** Approve increasing the Adult Misdemeanor Probation Office budget by \$24,093.41 which is half of what the first motion would have impacted the budget by and that motion would only come to fruition if supported by the Minidoka County Commissioners contributing \$12,046.71, which is half of the total amount, **Moved by** Paul Christensen - Member, **Seconded by** Bob Kunau - Chair.

**Vote:** Motion carried.

**Yes:** Bob Kunau - Chair, Paul Christensen - Member.

**No:** Tim Darrington - Member

- f. Darrington expressed concern that it is still a county-wide problem. The Board should look at every department rather than singling out one department.
- g. Kunau requested a review of probation fee collections.
- h. Abenroth discussed waiver of probation fees by judges when there is a financial hardship.
- i. Prewitt said judges are asking probation officers to do a budget with probationers. She also pointed out that they are receiving funds for the use of SCAM units by probationers.
- j. She acknowledged decreases in revenues and increases in expenditures that they have experienced.
- k. Christensen recounted the history of the office as being self-funding. He said he was reluctant to approve establishment of that office if it could not be self-funding. Twenty years later, he now extolled the value of the program to the taxpayer.
- l. Darrington said we are asking future commissioners to follow this direction and he preferred that they make the decision once in office.
- m. Christensen said the Joint Powers Board was made aware of the change request last week.
- n. Prewitt said they intend to move all drug testing from the jail to their office. Heward said the jail employees are not trained to do urine testing. Abenroth instructed the Sheriff it was under his purview to preclude the jail from providing the drug testing. Heward said he would only desire to do testing where the probationer's job might be in jeopardy and all others should occur at the Misdemeanor Probation Office.
- o. Prewitt said testing hours in their office are set up to accommodate probationers with their work requirements.

18) 11:52 AM Adjourn

11:52 AM **Motion and Action:** Adjourn, **Moved by** Paul Christensen - Member, **Seconded by** Tim Darrington - Member.
