

## Plant it Forward Events at Montclair Community farms

The Montclair Community Farms serve as hands-on resources that engage the community in urban farming, sustainable agriculture, affordable food access, and healthy food and lifestyle choices. Our goal is to provide local seniors with access to fresh produce by sending our mobile farm stand to their buildings. In order to do this, we need your help to make sure our farms are growing!

Participants should come prepared to work outdoors by wearing clothing that can get dirty, dressing in layers, wearing close-toed shoes and bringing water to drink. All ages are welcome! Children under 12 should be accompanied by an adult! Groups of 10 or more should RSVP to [montclaircommunityfarms@gmail.com](mailto:montclaircommunityfarms@gmail.com).

All dates have the following times and location:

11 am to 1 pm at [16 Miller Street, Montclair](#), check in at the green pickup truck  
1:30 to 3:30 pm at [108 Orange Road, Montclair](#), check in inside the farm behind the historic houses.
