Guidelines for Applying for Boards/Committees/Commissions

- ❖ Please submit one application per board/committee/commission for which you are applying. The application will be kept active for two (2) years.
- ❖ To allow a large number of citizens to service on boards/committees/commissions, the Code of the Township of Verona allows individuals to serve on only one standing board/committee/commission. This does not apply to ad hoc board/committees/commissions or departmental positions that are designated members of specific groups, or those established under law.
- ❖ Current board/committee/commission members must submit a new application at the end of their term if they wish to be considered for reappointment. The deadline for applications from incumbents is the same as the deadline for new applications.
- ❖ Township of Verona employees may not serve on Township of Verona boards/committees/commissions except as specifically provided by the Township Code, or as required to perform official duties.

In accordance with the Local Government Ethics Law (N.J.S.A. 40A:9-22.1 et seq.) annual Financial Disclosure Statements must be filed by elected officials, certain government employees and members of the rent control board, recreation commission, planning board, zoning board, board of health, board of education and library board of trustees.

Information submitted on this application is public information. I verify that the information provided herein is true and complete. I understand that false or misleading statements may be cause for elimination from consideration.
