January 2018

Dear Resident:

Pet licensing of cats and dogs works to minimize the spread of rabies among both domestic and wild animals and to reduce the possibility of human infection. The New Jersey State Department of Health recommends the licensing of dogs to regulate the mandatory rabies vaccination of domestic animals, as well as help in controlling any free-roaming dog issues.

Dog licenses expire on January 31st, 2018. Please obtain your 2018 license as soon as possible in order to avoid a summons pursuant to §61A-5 of the Code of the Township of Verona.

Proof of rabies vaccination must be presented when applying for a license. The license fee is \$10.00 for spayed or neutered dog, \$13.00 for unsprayed or non-neutered dogs.

ONLY A VETERINARIAN'S CERTIFICATE will be accepted as proof of **RABIES INOCULATION**. Without proper proof of inoculation, your application cannot be processed.

For your convenience, licenses can be issued by mail if a check payable to the **TOWNSHIP OF VERONA**, 880 Bloomfield Avenue, sent with the information requested below and a **SELF ADDRESSED STAMPED ENVELOPE** is enclosed.

NOTE: PET LICENSING HAS BEEN RELOCATED TO THE HEALTH DEPARTMENT IN THE COMMUNITY CENTER

You may also license your DOG between 9:00 A.M. to 4:00 P.M. Monday through Friday.
Please contact the Health Department at 973-857-4800 if you have any questions.
