IMAGINE DOWNTOWN ...

Make it: yours, happen, convenient, green, walkable, transit-oriented, vibrant, beautiful, healthy, clean, prosperous, welcoming, diverse, affordable, mixed, desirable, accessible, livable, friendly, fun, colorful.

Downtown Now! is a community-inspired collaboration to redevelop the south side of downtown Main Street. Comprehensive in scope and rooted in real-world economic scenarios, the goal is to restore downtown to a vibrant center of economic and community activity. Visit derbyct.gov for more information.
