

Downtown Now!

Derby's Blueprint for Progress

September 23, 2016

Thank you to everyone who joined us last night for the *Community Voices Workshop*. The event was a tremendous success!

The room was filled with stakeholders of all ages and backgrounds who were united by one common interest - to restore economic and community vibrancy to Derby's city center. Even more importantly, the room was filled with a renewed enthusiasm and optimism for the opportunities that lie ahead for Derby.

The input collected during last night's activities is going to help shape the next step of the process, the charrette, and ultimately the plan.

We look forward to your continued participation and hope to see you again at the *Community Choices Workshop* on October 26. Additional information about the upcoming workshop will follow soon.

Warmest regards,

Anita Dugatto, Mayor
