RE: Legal Opinion Regarding City Manager Ability To Delegate Responsibility On Tree Protection Appeals Committee

Date: September 25, 2012

The City Manager has express authority under the City Charter to appoint, and implied authority to delegate authority to, other officials in the administrative service of the City to act on his behalf. Accordingly, he may designate an administrative staff member to fill his position on the tree protection appeals committee, unless otherwise directed by the City Commission.

Good morning Craig,

Have you given this any thought yet? We need to schedule a committee meeting, so I need to know what to tell the CM.

Thanks
Jane

Craig,

The CM has asked me whether he can delegate his responsibilities for the Tree Protection Appeals Committee to someone else. Please advise.

Thanks,
Jane
