2015 ANNUAL CASE ANALYSIS

The total number of Internal Affairs Cases increased this year, however, a comparison and statistical analysis shows that the six (6) year average case load is 10.8 cases. Even though the total number of cases increased this year in comparison to last year, they are within the six year average of cases investigated.

After reviewing the cases investigated by the Internal Affairs Section, there does not appear to be a need to readdress any specific areas of policies and procedures.
