DRAFT

Mr. Marc Roberts
City Manager
City of Livermore
1052 South Livermore Avenue
Livermore, CA 94550

Dear Mr. Roberts:

The Board of Directors for the Livermore Area Recreation and Park District has stated a strong desire for some time to see a trail connection for both Pedestrian and Non-motorized access from the Springtown Area to the rest of Livermore. This concept trail is also known in the Trails Master Plan as Trail 6. We know that recent developments have resurrected the possibility of attaining an easement from the Catholic Diocese for a key portion of this connection. We are also aware that the City of Livermore is the lead agency for these discussions with the appropriate parties. It is our desire in writing this letter to memorialize our support for this process to continue. We are affirming our commitment of staff time and resources being made available to the City to assist in anyway LARPD can to see a positive outcome.

We affirm this commitment this 12th day of December, 2018 by a vote of ____.

Sincerely,

Maryalice Summers Faltings, Chair
Board of Directors
