Highlights of his presentation included: revenue is 6% above the FY 18-19 budget, and is balanced, with Taxes at 54% and Earned Income at 46% of total operating revenue; salary and benefits are the District’s most significant investment, at
approximately 70% of the District’s Operating Expenses; a contingency of $500K is expected in the plan this FY.

He led the Board through discussions on Attachment A (Priority A and Priority B Projects) including their funding sources.
